#### **Memorial Tribute**

George Nelson Warner Sr. 1933-2014

George Nelson Warner, Sr., 81, died Sunday November 9, 2014 at his home in Nelson following a period of declining health.

George was born in Nelson, on September 18, 1933, the son of Don L. and Grace (Towne) Warner.

After attending Nelson schools he went to work helping his family in their firewood business. At the age of sixteen, he began working part time for the State of New Hampshire Department of Transportation on the Road Recovery and Improvements crew.

On February 23, 1958 George married Joan A. Murdough in a service in Nelson. That same year George was hired as a full time employee of the NH DOT. He retired in 1991 after serving for more than 42 years as a member of the road crew in the Nelson District.

After his retirement from the NH DOT, George served as Town Sexton and custodian for the Nelson Congregational Church. He also kept busy doing odd jobs for folks in town. He was always working to support his family.

The members of the Nelson Select Board wish to acknowledge with appreciation the many years of dedicated service that George gave to the Town of Nelson. Those of us who knew George will all agree that he was a good neighbor and a good man.

#### **Memorial Tribute**

Leonard Frazier 1930-2014

The Town of Nelson and the Village of Munsonville lost longtime resident Leonard Frazier this year.

Leonard Frazier and his wife Marion are longtime Trustees of the Chapel by the Lake in Munsonville. The Chapel has been the main historical gathering center for the Munsonville District, as well as the place for United Methodist Church services for well over 100 years.

The Fraziers have played a key role to the survival of the Chapel for almost 65 years. In a day and age where small town Churches have such difficulties, Leonard and Marion's contributions to the Munsonville Community are the main reason the Chapel has survived to date and will continue to do so.

Leonard served the Town of Nelson starting in the Fire Department as the "Traffic Controller". He was around when the first Nelson fire truck was donated to the Town by Mr. Coutu. This fire truck was a station wagon car. Leonard taught the other volunteers how to drive that first fire truck.

If there was a fire in the Munsonville District, Leonard was the first to arrive at the firehouse, have the doors open and the truck ready, and would point the direction the truck would take immediately to address the issue at hand.

When Joe Dobson ran the Village Store, Leonard & Marion would stop to get their mail and say hello to neighbors. The Chief of the Fire Department at the time was Mr. Wilder, and he had some severe back issues. Leonard always stopped at his home next to the Munsonville Fire Station to "give him a hug", a big squeeze to help eliminate his back pain for the day!

To know Leonard was to experience his joy in telling stories of Munsonville, where he lived his whole life. You could feel the times, the way life, and the priorities of the Village of Munsonville.

We salute Leonard for his many years of service and dedication to Nelson and the Village of Munsonville. He will truly be missed by all who knew him.

#### SELECTMEN'S CERTIFICATE

This is to certify that the information contained in the following reports was taken from official records and is correct to the best of our knowledge and belief David Upton, Chair; Maury Collins and Susan Hansel, Nelson Board of Selectmen.

#### **AUDITOR'S CERTIFICATE**

#### Roberts & Greene, PLLC

#### INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen Town of Nelson Nelson, New Hampshire 03457

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Nelson, New Hampshire as of and for the year ended December 31, 2013, which collectively comprise the Town's basic financial statements as listed in the table of contents and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Basis for Adverse Opinion on the Governmental Activities

As discussed in Note I.C.2 to the financial statements, management has not recorded the capital assets in governmental activities, and accordingly, has not recorded depreciation expense on those assets. Accounting principles generally accepted in the United States of America require that general capital assets, including infrastructure, be capitalized and depreciated, which would increase the assets, net position, and expenses of

Town of Nelson Independent Auditor's Report

the governmental activities. The amount by which this departure would affect the assets, net position, and expenses of the governmental activities is not reasonably determinable.

#### **Adverse Opinions**

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the governmental activities of the Town of Nelson as of December 31, 2013, or the changes in financial position thereof for the year then ended.

#### **Unmodified Opinions**

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major governmental fund and the aggregate remaining fund information of the Town of Nelson as of December 31, 2013, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 20 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Nelson has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Nelson's basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund schedules are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

August 12, 2014

## Town of Nelson

New Hampshire

Warrant and Budget

**MS-636** 

2015

#### Town of Nelson

#### **New Hampshire**

#### Warrant and Budget

#### 2015

To the inhabitants of the town of Nelson in the County of Cheshire in the state of New Hampshire qualified to vote in town affairs are hereby notified and warned of the Annual Town Meeting will be held as follows:

Date:

Tuesday March 10, 2015

Time:

7:00 PM

Location:

Nelson Town Hall

Details:

Polls will open at 11:00 AM and close at 7:00 PM

Business Meeting will start at 7:00 PM

#### Article 01: Choose necessary Town Officers for the year ensuing

To Choose necessary Town Officers for the year ensuing.

#### Article 02: Build a new Fire Station

To see if the town will vote to raise and appropriate the sum of \$495,000 for the construction of a new Granite Lake Fire Station that would meet current codes including a sprinkler system and of sufficient height to accommodate the increased height of newer Fire trucks, and to authorize the issuance of not more than \$495,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; This article is non-lapsing through 2016. A 2/3 ballot vote is required to pass this article. The Selectmen do not recommend this article 2-1.

#### Article 03: Purchase of Land for Sand and Gravel Pit and acquiring necessary permits

To see if the town will vote to raise and appropriate the sum of \$250,000 for the purchase of a particular gravel pit comprised of 3 parcels located on Route 10 in Gilsum, NH now or formerly owned by Lane Construction Corp. and identified by the Town of Gilsum as Map 000409-000038-000000, Map 000409-000015-000100, and Map 000409-000014-000000, and to cover the costs of all permitting for the excavation of sand and gravel from the site, and to authorize the issuance of not more than \$240,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and \$10,000 to be raised by taxes. It being understood that no purchase shall be made until such time as a feasibility study is completed and demonstrates that said purchase will create a positive return on investment for the Town of Nelson. This article is non-lapsing through 2016. A 2/3 ballot vote required to pass this article. The Selectmen recommend this article 3-0

#### Article 04: Purchase of new Firefighting Tanker Truck

To see if the town will vote to raise and appropriate the sum of \$375,000 for the purchase and equipping of a new Firefighting Tanker Truck, and to authorize the issuance of not more than \$300,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and \$75,000 to come from the Fire Equipment capital Reserve fund. The fund balance as of 12/31/2014 was approximately \$89,405. A 2/3 ballot vote is required to pass this article. This article is non-lapsing through 2016. \*If this article is adopted, articles 15 and 16 no longer apply and may be passed over. The Selectmen recommend this article 2-1

#### Article 05: To defray the Town charges for the year ensuing

To see if the town will vote to raise and appropriate the sum of \$380,223 for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately.

The Selectmen recommend this appropriation 3-0.

#### Article 06: Funding for appraisal and feasibility study of proposed purchase of Gravel Pit

To see if the town will vote to raise and appropriate the sum of \$7,500 for the purpose of funding a professional appraisal, including soil study of a particular gravel pit comprised of 3 parcels located on Route 10 in Gilsum, NH, now or formerly owned by Lane Construction Corp. and identified by the Town of Gilsum as Map 000409-000038-000000, Map 000409-000015-000100, and Map 000409-000014-000000, and to defray any other costs associated with the study of the feasibility of purchasing the property. The Selectmen recommend this appropriation 3-0.

#### Article 07: Support of Town Library

To see if the town will vote to raise and appropriate the sum of \$34,040 for the support of the Town library, \$25,106 to be raised by taxes and \$8,934 to come from Library Memorial Funds, gifts, grants, and other sources. The Selectmen recommend this appropriation 3-0.

#### Article 08: Create Emergency Expendable Trust Fund naming Selectmen as agents to expend

To see if the town will vote to establish an Emergency Expendable Trust Fund per RSA 31:19-a, for the purpose of funding urgent needs resulting from unforeseen situations, emergencies, disasters, or catastrophic events effecting the Town, its property or the wellbeing of its residents and not sufficiently provided for in the general budget. Further, to raise and appropriate \$5,000 to put in the fund, with this amount to come from taxes; further to name the Selectmen as agents to expend from said fund. The Selectmen recommend this article 3-0.

#### Article 09: Purchase and installation of Utility Shed

To see if the town will vote to raise and appropriate the sum of \$3,995 for the purchase and installation of a new utility shed to be used for the storage of Town maintenance equipment, tools, and supplies used by the Sexton. The Selectmen recommend this appropriation 3-0.

#### Article 10: Funding of various social service agencies which provide assistance to Nelson residents

To see if the town will vote to raise and appropriate the sum of \$5,216 for support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: American Red Cross (\$328), The Community Kitchen Inc. (\$1,000), Home Health Care Service (\$550), Meals on Wheels (\$540), Monadnock Family Services (\$911), Southwestern Community Services (\$387), Monadnock Region Child Advocacy Center (1,000), and Casa for Children (\$500). In 2014, \$5,216 was paid in support of these social service agencies. The Selectmen recommend these appropriations 3-0.

#### Article 11: Add funds to Milfoil Prevention and Treatment Expendable Trust Fund

To see if the town will vote to raise and appropriate the sum of \$1,000 to be added to the Milfoil Prevention and Treatment Expendable Trust Fund previously established. The fund balance as of 12/31/2014 was approximately \$25,403. The Selectmen recommend this appropriation 3-0.

#### Article 12: Direct Selectmen to appoint 250th year commemoration

To see if the town will vote to direct the Selectmen to appoint a committee to plan, prepare and deliver a suitable celebration proposal for the Town of Nelson in commemoration of the 250th year (2017) since its settlement, and to raise and appropriate the sum of \$500 for the proper expenses of said committee during the current year. The Selectmen recommend this appropriation 3-0.

#### Article 13: Add funds to Town Buildings Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Town Buildings Capital Reserve Fund previously established. No withdrawals may be made from the fund except by vote of the town. The Town Buildings Capital Reserve Fund balance on 12/31/2014 was approximately \$8,132. The Selectmen Recommend this appropriation 3-0.

#### Article 14: Operating Budget for the Fire Department

To see if the town will vote to raise and appropriate the sum of \$92,000 for the proper expenses of the Fire Department and Rescue Squad. The Selectmen recommend this appropriation 3-0.

#### Article 15: Purchase a used Firefighting Tanker Truck

To see if the town will vote to raise and appropriate the sum of \$150,000 for the purchase and equipping of a used Firefighting Tanker truck, and authorize the withdrawal of \$75,000 from the Fire Equipment Capital Reserve created for that purpose. The balance of \$75,000 is to come from general taxation. The Fire Equipment Capital Reserve fund balance as of 12/31/2014 was approximately \$89,405. \*If article 4 passes this article no longer applies and may be passed over. The Selectmen recommend this appropriation 3-0.

#### Article 16: To refurbish the 1986 Firefighting tanker now in service

To see if the town will vote to raise and appropriate the sum of \$99,000 to refurbish the 1986 Firefighting tanker now in service with the Nelson Fire Department. \*If article 4 or 15 passes this article no longer applies and may be passed over. The Selectmen do not recommend this appropriation 2-1.

#### Article 17: Funding for fighting forest fires with anticipated reimbursement

To see if the town will vote to raise and appropriate the sum of \$500 for the purpose of fighting forest fires. This sum to come as reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration approves this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this appropriation 3-0.

#### Article 18: Add funds to Fire Equipment Capital Reserve Fund

To see if the town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Equipment Capital Reserve Fund previously established for the purpose of Fire Apparatus purchases for the Fire Department. No withdrawals may be made from this Fund except by vote of the Town and upon recommendation of the Fire Chief. The Fire Equipment Capital Reserve Fund balance as of 12/31/2014 was approximately \$89,405. The Selectmen recommend this appropriation 3-0.

#### Article 19: Purchase and installation of 2 Emergency Pull Stations

To see if the town will vote to raise and appropriate the sum of \$1,500 for the purchase and installation of 2 Emergency Pull Stations. One to be located at the Granite Lake Fire Station and one to be located at the Nelson Center Fire Station. The Selectmen recommend this appropriation 3-0.

#### Article 20: Purchase of used, rebuilt and recertified, 12 lead EKG machine

To see if the town will vote to raise and appropriate the sum of \$10,000 for the purchase of a used, rebuilt and recertified, 12 lead EKG machine to be put into service on the Rescue Truck. The Selectmen recommend this appropriation 3-0.

#### Article 21: Purchase and installation of 3 dry hydrants (2 new & 1 replacement)

To see if the town will vote to raise and appropriate the sum of \$7,500 for the purchase and installation of 3 Dry Hydrants (2 new and 1 replacement). The Selectmen recommend this appropriation 3-0.

#### Article 22: Purchase of Forest Firefighting equipment (Matching grant approved)

To see if the town will vote to raise and appropriate the sum of \$3,113 for the purchase of Forest Firefighting equipment. It being understood that this purchase qualifies for and was approved for a 50/50 match grant through the Volunteer Fire Assistance Program. Of the total expenditure \$1,556 to be reimbursed through funding from the United States Forest Services for the 2015 VFA Grant Program. The Selectmen recommend this appropriation 3-0.

#### Article 23: Proper expenses of the Emergency Management Department

To see if the town will vote to raise and appropriate the sum of \$2,000 for the proper expenses of the Emergency Management Department. This article is recommended by the Nelson Emergency Management Director. The Selectmen recommend this article 3-0.

#### Article 24: Proper expenses of the Health Officer

To see if the town will vote to raise and appropriate the sum of \$300 to fund the proper expenses of the Nelson Health Officer. The Selectmen recommend this article 3-0.

#### Article 25: Proper expenses of the Police Department

To see if the town will vote to raise and appropriate the sum of \$60,400 for the proper expenses of the Police Department. The Selectmen recommend this appropriation 3-0.

#### Article 26: Add funds to Police Equipment Capital Reserve Fund

To see if the town will vote to raise and appropriate the sum of \$5,000 to be added to the Police Equipment Capital reserve fund previously established. No withdrawals may be made from this fund except by vote of the Town and with the recommendation of the Police Chief. The Police Equipment Capital Reserve Fund balance as of 12/31/2014 was approximately \$171.53. The Selectmen recommend this appropriation 3-0.

#### Article 27: Fund special patrols or details performed by the Nelson Police Department

To see if the town will vote to raise and appropriate the sum of \$4,000 for the purpose of patrols or details performed by the Nelson Police Department for the State of New Hampshire, Cheshire County Sheriff's Department, other municipalities or authorized private entities. The total sum to come from offsetting grants and/or revenues received for said patrols and details and no amount to be raised through taxation. This method of accounting is approved by the Department of Revenue Administration so as not impact the Police Department budget. The Police Chief recommends this appropriation. The Selectmen recommend this appropriation 3-0.

#### Article 28: Proper Expenses for maintenance of Highways and Bridges

To see if the town will vote to raise and appropriate the sum of \$297,700 for the proper expenses for maintenance of highways and bridges for the ensuing year. \$32,000 anticipated revenue coming during 2015 from Highway Block Grant Aid. The Selectmen recommend this appropriation 3-0.

#### Article 29: Repair Bailey Brook Bridge on Old Stoddard Road

To see if the town will vote to raise and appropriate the sum of \$50,000 for the repair of the Bailey Brook Bridge on Old Stoddard Road. This bridge has been inspected and found to be structurally deficient by the NH DOT. The Selectmen recommend this appropriation 3-0.

#### Article 30: Add funds to Highway Equipment Capital Reserve Fund

To see if the town will vote to raise and appropriate the sum of \$25,000 to be added to the Road Equipment Capital Reserve Fund previously established. No withdrawals may be made from this fund except by vote of the Town upon recommendation of the Road Equipment Committee. The Road Equipment Capital Reserve Fund balance as of 12/31/2014 was approximately \$76,750. The Road Equipment Committee recommends this appropriation. The Selectmen recommend this appropriation 3-0.

#### Article 31: Delete and rescind a provision in a previously passed article from 1961 Warrant

To see if the Town will vote to rescind a provision contained in Article XIX of the Warrant passed at the 1961 Town meeting, which provides that 3 members of the Board of Cemetery Trustees "at all times shall be the Trustees of the Trust Funds as duly elected," so that in the future all members of the Board of Cemetery Trustees must be duly elected to the position of Cemetery Trustee for staggered three-year terms with vacancies filled by appointment of the Selectmen per RSA 289:6,I. The Selectmen recommend this article 3-0.

#### Article 32: Resolved-written notice to Governor regarding funding for education

Resolved that the State of New Hampshire provide a comprehensive, meaningful system of funding for State Education needs and to ask our governor and our state legislators to reform state funding for education with that reform to be directed to significant reduction of property taxes. The record of the vote approving this article shall be transmitted by written notice from the Select Board to the governor and state legislators informing them of the instruction from their constituents within 30 days of the vote. The Selectmen recommend this article 3-0.

#### Article 33: By Petition - Support for Nelson School Students to attend "Village 2015"

To see if the town will vote to raise and appropriate the sum of \$1,950 for the Game of Village Inc., a non-profit 501(c) 3 organization, to support the expenses of Nelson resident school students in order to attend Village 2015 - a summer learning experience. All children who live in Nelson and are entering 5th-8th grades may attend.

The Selectmen recommend this appropriation 3-0.

## Given under our hands, and seal this 18<sup>th</sup> day of February in the year of Our Lord, Two thousand and Fifteen, a True copy of the Warrant, Attest: The Nelson Board of Selectmen

We certify and attest that on or before February 18, 2015, we posted a true and attested copy of the within Warrant at the place of meeting, and like copies at the Posting Board in front of the Nelson Town Office and the Town website, and delivered the original to the Town Clerk.

Residents who have a birth, marriage, or death in their family, must make sure that NELSON is listed as their town of legal residence (do not use your mailing address). This is necessary to assure accurate recording of Nelson's Vital Statistics on the state and local levels. Thank you.

Julia Lennon, Town Clerk/Tax Collector

#### **TOWN MEETING MINUTES - MARCH 11, 2014**

We were fortunate that in this winter of frequent storms and inclement weather, the day of town meeting was sunny and warm. The polls for the election of town officers opened at 11 a.m. Voting was fairly constant with 231 civic minded Nelson residents casting their vote. This was about 100 more than voted last year. There were no contested offices; however there were "write-ins" for Selectman, Planning Board and ZBA.

#### **ARTICLES OF A GENERAL NATURE**

Article 1. To choose necessary Town Officers for the year ensuing.

Selectman – 3 years, Maury Collins

Moderator – 2 years, Richard Church

Trustees of the Library – 3 years, Laurie Smith

Carol Raynor

Trustee of Trust Funds – 3 years, Elaine Giacomo

Emergency Management Officer - 1 year, Dennis Dellagreca

Planning Board Member – 3 years, David Bower

Road Equipment Committee – 3 years, Dennis Dellagreca

Supervisor of the Checklist – 6 years, Betsey Church

Zoning Board of Adjustment – 3 years, Bob Lenox

Zoning Board of Adjustment – 1 year, Tie – Bob Jones & Ralph Castor

Treasurer – 1 year, John Shea

While the polls were open a Nelson resident, Gordon Peery found a campaign marketing literature for Todd Faulkner in one of the voting booths at 3:45 p.m.

The business portion of the meeting began at 7:20 p.m. with a cub scout representing Troop 530 leading the meeting in the Pledge of Allegiance to the Flag. The moderator Richard Church briefly went over the organized manner in which our town business at our annual town meeting is conducted. David Upton made a motion to allow 3 non-residents their right to speak to issues on the warrant. Those individuals are: Edie Drinkwater. Administrative Assistant, Jeff Ingram, Building Contractor and Richard Pratt, Police Chief. The motion was seconded and passed. Bud French made a motion that 4 non-residents who are members of the Fire Department be allowed to speak to pertinent warrants. They are: Bob Bishop, Paul Post, Dean Huber and Justin Pratt. The motion was seconded and passed. Michael Iselin proposed that two petitioned articles 35 and 36 be heard first. This was seconded by Tricia Jones. Discussion: Lisa Sieverts asked that we first address articles 3 – 7 pertaining to the building project is addressed first so that our building contractor, Jeff Ingram doesn't have to spend the entire evening here. Beth Williams agreed with Lisa. David Upton commented on the importance of discussing the building articles and Article 2 which deals with our government operations early in the meeting and then take on articles 35 and 36. A voice vote was inconclusive, so a hand vote was taken. The results of this vote are Yes 58 No 55, and the motion was approved to proceed to the petitioned articles.

#### WARRANT ARTICLES BY PETITION

Article 35. To see if the Town shall vote to adopt the provision of RSA 154:1 III. A municipality may choose a form of fire department organization different from those set forth in paragraph 1, including the election of fire chief, election of fire officers, election of firefighters, or all such persons by the members of the fire and rescue department. The Nelson Fire and Rescue Department recommends passage of this article. The Selectmen do not recommend this article 3-0. Bud French moved that the article be accepted as read. He then made an amendment to the article which read: "To see if the town shall vote to adopt the provision of RSA 154:1(a) I. All towns and city fire departments, and fire

departments of village districts or precincts organized pursuant to RSA 52:1,(a), shall be organized according to one of the following forms, chosen by vote of the local legislative body: (a) A Fire chief appointed by the local governing body, or by the town or city manager, if any, with firefighters appointed by the Fire Chief. Amendment was seconded. Rick Church stated that this amendment would effectively replace Article 35. Mr. French, the acting Fire Chief spoke in depth to this amendment by explaining the mission of the fire department and the history of the procedure of electing the Fire Chief versus appointing the Fire Chief by the Board of Selectmen. However according to Acting Chief French this current Board of Selectmen has taken it upon itself to micromanage the Fire Department. French stated that the Fire Department has been patient with their dealings with the Board of Selectmen and now their objective is to restore courtesy, dignity and respect. They would like more flexibility with the management of their department. He also briefly discussed what occurred at the special town meeting in November and the miscommunication and frustration that resulted. The Fire Department is asking for this vote and for the town's people to intervene on their behalf. The amended motion was reread. David Upton asked to speak to the motion. He took exception to much that French stated but would rather focus on making the Fire Department as safe and effective as possible. Upton agreed that this is a reasonable motion and would like to go forward with the vote on it. Dennis Dellagreca agreed with Bud French and asked why it is taking so long to appoint a Fire Chief. Beth Williams asked for clarification about the amendment. Church responded by clarifying that the motion would now state that the Board of Selectmen would appoint the Fire Chief, but the Fire Chief will select and control his staff. Mike French stated that the amendment was very vague. Owen Iselin asked how the other two selectmen viewed this amendment. Both Maury and Susan are in favor. Mike Blaudschun asked for clarification about who appoints positions within the Fire Dept. D. Upton replied by referring to Article 12 from the 2001 Town Meeting in which the Board of Selectmen appoints the chief but the chief appoints his staff. The Board of Selectmen develops the job descriptions. Judi Lang asked if this also gives the SB the power to fire the chief, the answer was affirmative. Tom Murray spoke to liability issues to the town and accountability. Charlie Lang mentioned the Fire Dept's by-laws which governs how they operate. He backs this amendment. Russ Thomas stated that the amendment should be clearer and he thinks the motion should be clearer. There was some further discussion. The moderator made the suggestion that maybe the last sentence should read that the Fire Chief is appointed by the Select board and the deputies are appointed by the Fire Chief. Bud French said that all he wants to do is follow the RSA and be consistent, he was supported in this by Andrew Ward one of his Volunteer Firemen who spoke about safety issues. Mike French asked to "call the question". There was more discussion. Mike Cornog again called the question. The amendment was passed by unanimous voice vote and the original article as amended was passed by unanimous voice vote. Article 36. To see if the Town will vote to raise and appropriate up to the sum of \$1,950 to support the expenses of Nelson resident school students at \$650 each to attend Village 2014 (in Nelson Village) – a summer learning experience. This money would only be spent for children who actually attend the program. Dates set for June 30-August 1. All children who live in Nelson and are entering 5<sup>th</sup>-8<sup>th</sup> grades may attend. The Selectmen recommend this appropriation 3 - 0. Maury Collins made a motion to accept this article. Kathy Schillemat seconded. Sandi MacKenzie gave a brief summary of the Nelson Village. This article will support 3 - 4 Nelson students. The article was passed by a voice vote.

#### ARTICLES OF A GENERAL NATURE

Article 2. To see if the Town will vote to raise and appropriate the sum of \$385,333. to be raised by taxes. This is to defray Town charges for the year ensuing. The Selectmen

recommend this appropriation 3 – 0. The article was moved and accepted as read. David Upton explained how article 2 covers our town's operating functions with the exception of highway, police and fire. It includes the expenses of our financial and administrative departments, archivist's and cemetery expenses, and Conservation Commission. Upton then went on to explain where the 22% came from that was quoted in the Keene Sentinel; the majority of this percentage comes from 2 warrant articles that were passed last year concerned the hiring of an assessing company for the next 4 years and the professional audit of our town books every year. These expenses are now included in this year's operating budget. The most significant increase that contributes to that 22% is the bringing of gasoline and diesel fuel costs from maintaining for our various departments. This was done so that we could have an account from which to pull these funds from. The department heads agreed with this procedure. Other items in this budget add about 3%. The department fuel costs with be managed this coming year and the allocations will be reported back in next year's town report. The Department of Revenue accepts this process. The 3% is an increase in our insurances, a small increase in our financial and administration salaries and legal costs.

Ralph Castor asked why we can't tell what our fuel costs are. David stated that this has been a problem with these department heads for some time now and that hopefully the development of logs will help us arrive at a percentage of fuel allocation.

Mike Blaudschun commented on this tax increase and where the figures are coming from.

Bob Jones asked about the overtime hours for the administrative assistant. A comment was made about Town Clerk/Tax Collector's hours. Rich Church reminded the audience that we are talking about a budget not about personnel. Todd Faulkner commented about the raise in the proposed budget comparing it to past years. He also commented on proposed payroll raises. He stated that the budget has gone up 37% not the quoted 22% and that this was fiscally irresponsible. Upton restated that the bulk of the increase comes from the 3 accounts he had mentioned before. He continued to state that the Town Clerk's increase is appropriate and important. The Town Clerk's office for the past 15 years has been completely underfunded. These functions for this position are of extreme importance and accountability to the town and its residents. Demanding training and experience are required. A salary for this position of \$20/hr was finally arrived at, it is long overdue. The \$7K that Blaudschun referred to is the 3% increase that is referred to above. Todd Faulkner continued to question this figures and the overtime pay. Tricia Jones requested to hear the answer to the question about pay scales for similar sized towns. Blaudschun still would like to know why the fuel that came out of the Highway department's budget and put in the operating budget is not reflected in the Highway's budget. He also again addressed the Admin Assistant's pay; salaried versus hourly, and why if other towns can get the work done in a certain amount of time why can't Nelson? Upton responded with figures from 2011 when Nelson had 3 people working in the Administrative Department. The average payroll for that time was \$1522/week. In 2013, the average payroll for this office was \$1504, \$18 less than 2011. He also addressed the workload by stating that the state requirements for a small town are the same as a larger town and that it is the same if not more than in 2011.

The discussion continued and questions or comments were given on the following topics: office supplies, computer and software services, trash disposal, insurance, travel expense for financial clerk, office hours and the status of the cemetery Answers were given by Upton and Drinkwater.

Rick Church made an observation about our process so far and that if we are going to arrive at a new budget a number needs to be proposed. Blaudschun made an amendment to the article to change the sum to \$281,000. It was seconded. Blaudschun stated which budget items would be taken out of the old figure. Upton stated that the town could not reasonably operate and provide the town residents with the services that they are used to under this new figure. Discussion continued. Written ballot was called for by Kelly French. Rick Church decided to hear from additional people who had not spoken yet. Upton addressed a few of these issues. A point of order was called by Tricia Jones, Church responded. A lengthy discussion continued with opinions for both sides expressed. Bob Lenox called for the vote. The amendment under article 2 was reread. A written ballot was asked for. The amendment passed (Yes – 77, No – 59)

Article 3. To see if the Town will vote to raise and appropriate the sum of \$305,900 for improving ground water drainage and for straightening and strengthening the floor, walls and roof of the Town Hall and to authorize the issuance of not more than \$75,900 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon, \$225,000 to come from the Town buildings capital reserve fund, and \$5,000 to be raised in taxes. The Selectmen recommend this appropriation 3 – 0. (2/3 ballot vote required). The article was moved and seconded as read. Lisa Seiverts gave a brief summary of the history of this project. Sandi MacKenzie thanked Lisa for her efforts and proudly announced that donations totaling \$82,900 had been raised in pledges, two grants (moose plate and Putnam) have been awarded to the town totaling \$18,900 and the Folk Society has contributed \$15,000. A brief discussion followed with the contractor Jeff Ingram answering a few questions. A written vote was requested. The article passed with 104 Yes and 27 No

Article 4. To see if the Town will vote to raise and appropriate the sum of \$65,300 for finishing the lower level of the Library by providing a meeting room, a Town Archives Room, and handicapped access to that space, this appropriation includes the installation of an air-to-air heat pump that will serve the lower level of the Library and to authorize the issuance of not more than \$55,300 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon, \$5,000 to come from the Town Buildings capital reserve fund, and \$5,00 to be raised in taxes. The selectmen recommend this appropriation 3 - 0. (2/3 vote required) Linda Cates, the chair of the Library Trustees spoke in support of this article; \$31,000 has already been raised by donations. Brief discussion followed. Upton answered a question requesting an explanation of these building and heating related articles. Tom Buttrick answered a question about the promissory note. The article passed with a unanimous hand vote

Article 5. To see if the Town will vote to raise and appropriate the sum of \$74,000 to upgrade the heating/cooling systems for both the Town Hall and the Library by installing an air-to-air heat pump that will heat and cool the Town Hall, the lower level of the Library, and the Library Proper, and to authorize the issuance of not more than \$64,500 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to

authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon, \$4,350 in heat pump credit, and \$5,150 to be raised in taxes. \*If this article is adopted, articles 6 and 7 no longer apply and may be passed over. The Selectmen do not recommend this appropriation 2-1. (2/3/ ballot vote required). The article was moved and seconded. Russ Thomas gave a balanced report from the Building Committee. Discussion followed about the existing system, the noise level, the expense, operating costs and how this article relates to article 6. The article was defeated by a hand vote.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$36,000 to upgrade the heating/ventilation system for the Town Hall by relocating the furnace into the library Furnace Room and by adding an ambient air ventilation system. All funds to be raised by taxes and/or donations. This Article is non-lapsing until December 31, 2016. The Selectmen recommend this article 3-0. Article was moved and seconded. Lisa Sieverts clarified what this article would accomplish. She is in favor of this article. A very brief discussion followed. The article was passed with a voice vote. Article 7. To see if the Town will vote to raise and appropriate the sum of \$9,000 to upgrade the heating/cooling system for the Library to include an air-to-air heat pump that will serve both the lower level of the Library and the Library proper. All funds to be raised by taxation and/or donations. This Article is non-lapsing until December 31, 2016. The Selectmen recommend this appropriation. 3-0. Article was moved and seconded as read. Sandi MacKenzie reminded the audience that the Putnam foundation has funded this article. A voice vote was unanimous, the article was passed.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$34,571 for the support of the Town Library, \$23,305 to be raised by taxes and \$11,266 to come from Library Memorial Funds, gifts, grants, and other sources (In 2013 the appropriation was \$33,149, \$21,900 from taxes and \$11,249 from other sources.) The Selectmen recommend this article 3 – 0. Article was moved and seconded as read. Linda Cates spoke very briefly in support of this article. The article was passed by a voice vote.

Article 9. To see if the Town will vote to create an Expendable Trust Fund under the provisions of RSA31:19-a, to be known as the Emergency Expendable Trust Fund for the purpose of funding urgent needs resulting from unforeseen emergencies, disasters, or catastrophic events effecting Town property and not sufficiently provided for in the general operating budget. Further, to raise and appropriate \$5,000 to be placed in said fund and to name the Selectmen as agents to expend. The Selectmen recommend this appropriation 3 – 0. Article was moved and seconded. Susan Hansel spoke in favor of this appropriation stating that it is recommended by the Department of Revenue. It allows the Selectmen to expend this money only in an emergency. This is standard procedure for most towns. Discussion followed. Mike Blaudschun offered an amendment which changed the last sentence to read: Further, this fund is to be funded by income monies collected from the rental of the Nelson Town Hall and to name the Selectmen as agents to expend. The amendment was seconded. Discussion followed concerning the rental income, costs for upkeep of the hall and the general fund. Blaudschun spoke to his amendment and how the Town Hall is subsidized. Kathy Schillemat stated how the hall will not be rented during its renovations.

Further comments were made on how to fund article 9. The amendment was voted down by a voice vote. The article was defeated by a voice vote.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$5,216 for support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: American Red Cross (\$328), The Community Kitchen, Ind. (\$1,000), Home Health Care Services (\$550) and Meals on Wheels (\$540), Monadnock Family Services (\$911), and Southwestern Community Services (\$387), Monadnock Region Child Advocacy Center (\$1,000), CASA for Children (\$500). (In 2013, \$2,459 was paid in support of social service agencies.) The Selectmen recommend this appropriation 3 – 0. Article was moved and seconded as read. Question about the new additional services was answered by Edie Drinkwater. Article was passed unanimously by a voice vote.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Milfoil Prevention and Treatment Expendable Trust fund. The Conservation Commission approves this article. The fund balance as of 12/31/2013 was approximately \$22,398. The Selectmen recommend this appropriation 3-0. Article moved and seconded. Discussion followed. Bud French, chair of the Conservation Committee spoke to the fund. The Article passed unanimously by a voice vote.

Article 12 To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Town buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the town. (The 2013 appropriation was \$5,000). The available fund balance on 12/31/2013 was approximately \$231,512. The Selectmen recommend this appropriation 3-0. Article was moved and seconded. Being that there was no discussion, the article passed unanimously.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purpose of providing 400 Amp Electrical service and upgraded wiring to the Safety Building which houses facilities for the Highway Department, Police department and Fire Department. This upgrade is necessary to provide sufficient and safe electrical service to all areas of the building which require a wide range of electrical usage. The Selectmen recommend this appropriation 3-0. Article was moved and seconded. Maury responded to questions about how the sum was arrived at and how the electrical needs of the Safety Building will be met by this article. Discussion followed about the bidding process. Article passed unanimously.

Article 14. To see if the Town will vote to if the Town will vote to raise and appropriate the sum of \$2,000 for the installation of three automatic overhead garage door openers for the Granite Lake Fire Station. The cost to include electrical services required to complete the installation. The Selectmen do not recommend this appropriation 2-1. It was moved that the article be seconded as read. Discussion began with a comment the need for this fire station, does a town our size need two fire stations. Bud French addressed the question of a power outage and spoke to the need to increase response time. The article was carried by a voice vote.

A motion was made to recess the March 11<sup>th</sup> Nelson Town Meeting to March 22nd at 10 AM at the Town Hall. Motion was seconded. A voice vote was inconclusive, so the moderator requested a show of hands. Yes – 43 No 36. The meeting was adjourned.

# CONTINUATION OF TOWN MEETING MINUTES MARCH 22, 2014

Richard Church called the meeting to order at 10:03 am and after a brief history lesson on town meetings in Nelson, he proposed that we begin with Article 15. John Bunce moved that Article 2 be reconsidered. It was seconded. A point of order was called by David Voymas who said that according to Roberts Rules of Order only the prevailing side could ask for reconsideration. Church informed the audience that we don't follow Roberts Rules of Order. Bunce was allowed to speak to his motion. He passed out a handout that addressed some overall misconceptions about town taxes. He requested a re-opening of Article 2 to give the Selectmen another chance to explain the increase in spending and to clear up the confusion. David Upton spoke in favor of reconsideration of Article 2 so that this legislature body after gathering further information to change that decision. He then pointed out the problems that will occur if we don't reconsider in the following areas: cost of fuel and town equipment, upkeep of the cemeteries, fairness in salaries. He also spoke to what would occur that will negatively affect the running of this town. A short discussion followed. A written ballot was requested. It was at this point that Bud French loudly called a Point of Order. He had just become aware that the supervisors of the checklist were not registering people to vote. According to French, 3 people were "denied their right to vote". Betsey Church, Supervisor of the Checklist informed Mr. French and the meeting that the Supervisors were not allowed to register voters at meetings unless the polls were open. She showed an email from the Secretary of State's Office to that effect. Mr. French persisted, stating adamantly that this was the moderator's doing and that this was now an illegal continuation of a meeting. The police chief moved to the front of the room in an attempt to restore civil behavior. The result of the vote was then delivered to the room. No 79 Yes – 69. The motion was defeated. Mike Blaudschun made a motion to constrict further consideration of this article at this meeting or any meeting that we hold on this article according to RSA 40:10. This was seconded and passed by a voice vote.

#### ARTICLES DEALING WITH SERVICE AND PROTECTION

Article 15. To see if the Town will vote to remove the Selectmen as agents on the Fire Equipment Capital Reserve Fund. Selectmen recommend this appropriation 3 – 0. Article moved and seconded as read. No discussion. Motioned was carried by voice vote.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$92,000 for the proper expenses of the Fire Department and Rescue Squad. (The 2013 appropriation was \$69,030. The Selectmen recommend this appropriation 3 - 0. Moved and seconded that the article be accepted as read. David Upton made a motion to amend the article to read as \$96,700. Motion was seconded. Upton explained that the purpose for the amendment is to allow for the fuel allocation defeated in Article 2 be put back in for the Fire Department's allocation. The select board does expect an increase in diesel fuel. Bud French gave an extensive explanation of the Fire Dept's budget. Discussion followed. The amendment was passed by a hand vote, Yes – 62 No – 51.

Upton spoke to the appropriation and the availability of grant money. Brief discussion followed. The article was carried by a voice vote.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$500 for the purpose of fighting forest fires. This sum to come as reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this appropriation. 3 - 0. Article was moved and seconded. No discussion. The article carried with a voice vote.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purchase and installation of a heavy duty laundry Unit (Extractor) and drying and storage racks, this Equipment is used to clean and dry Fire and Rescue garments, and to authorize the Selectmen to withdraw these funds from the Fire Equipment Capital Reserve Fund for this purpose. The fund balance as of 12/31/2013 was approximately \$136,755. The Fire Chief recommends this appropriation. The Selectmen recommend this appropriation 3 – 0. Article was moved as read and seconded. Bud French made a motion for an amendment that would only change the 1<sup>st</sup> sentence to read "appropriate the sum of up to \$10,000 for the purchase and installation of new or used", etc. The moderator asked if we could go right to the article since this was only cleaning up the language. A discussion followed that addressed the issues of safety for the firemen, plumbing and wiring in the safety building and environment issues. This extractor is recommended not mandated. Article passed unanimous by a voice vote.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Equipment Capital Reserve Fund, for the purpose of Fire Apparatus for the fire department. No withdrawals may be made from this Fund except by vote of the Town and upon recommendation of the Fire Chief. The fund balance as of 12/31/2013 was approximately \$136,755. The Selectmen do not recommend this appropriation 2 – 1. Upton made the motion that this article be accepted as read with the following change, that the sum of \$25,000 be changed to \$5,000. This motion was seconded. Upton spoke to the reasons for appropriation change. There was no further discussion. The motion carried with a voice vote.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the proper expenses of Emergency Management. This article is recommended by the Nelson Emergency Management director. The Selectmen recommend this appropriation 3 - 0.

Moved and seconded. Dennis Dellagreca was asked to speak to the particulars of this article. Article was passed by a voice vote.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$2,450 to be paid to South West Region Planning for the purpose of assisting with an update of the Nelson Emergency Operations Plan. The plan was adopted on September 9, 2009. This plan requires updating every five years and would be due in September of 2014. This article is recommended by the Nelson Emergency Management Director. The Selectmen recommend this appropriation. 3 - 0. Moved and seconded. Dellagreca again spoke to this article. A short discussion followed. Article passed with a voice vote.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$1,499 for the purpose of funding the Emergency Management Identification Project for all emergency responders in the Town of Nelson. \$749.00 from an Emergency Management Performance Grant through the State of New Hampshire Department of Safety Homeland Security and Emergency Management and \$750.00 to be raised in taxes. This article is recommended by the Nelson Emergency Management Director. The Selectmen recommend this appropriation 3 – 0. Article was moved as read and seconded. There was no discussion and the article passed with a voice vote. Moved and seconded.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$300 for the proper expenses of the Nelson Health Officer. The Selectmen recommend this appropriation 3 - 0. Moved and seconded. David Upton spoke briefly in favor of this article. There was no further discussion. Article passed on a voice vote. Article 24. To see if the Town will vote to raise and appropriate the sum of \$25,405 for the purchase of a new 2014 Ford Explorer to be outfitted for use as a Police Cruiser and authorize the Selectmen to withdraw these funds from the Police Equipment capital Reserve Fund for this purpose. The fund balance as of 12/31/2013 was approximately \$25,574. The Police Chief and the Selectmen recommend this appropriation 3 - 0. Moved that the article be accepted as read and seconded. An amendment was read by Todd Faulkner to raise the amount by \$6,000 which would make the total amount \$31,405 and to authorize the selectmen to withdraw \$25,405 from the Police Equipment Capital Reserve Fund for purchase of the police cruiser, and \$6,000 to be raised by taxes for the outfitting of said police cruiser. The moderator thought that there may be a procedural problem with raising the \$6000 from taxes since that is not stated in the warrant article. Faulkner replied that he had gotten DRA approval. Faulkner then spoke to his amendment. Amendment was seconded. He's asking that we be transparent with how the money is being spent. Upton spoke in opposition to the amendment and that he had heard differently from the DRA. Questions about the cruisers age and the need for a second were asked. Chief Pratt responded. This article would replace the current cruiser and keep the one that only has 100,000 miles on it as the 2<sup>nd</sup> cruiser. Bob Lenox commented that the cruiser should be garaged in Nelson. Further discussion on the amendment continued. A vote was called on Mr. Faulkner's amendment. The amendment passed by a hand vote Yes – 48 No – 45. A motion as amended was discussed. Barry Tolman made an amendment to the amended article which added the words "to be housed in the Nelson Police garage. Tolman spoke to his amendment about using the police garage. Dellegreca spoke in opposition to this amendment. A lengthly discussion followed with both pros and cons heard. A vote on the 2<sup>nd</sup> amendment was called for. It failed by a hand vote of No – 69 and Yes – 26. Bob Lenox made a 3<sup>rd</sup> amendment to state that the cruiser should be housed in Nelson not necessarily the police garage. It was moved and seconded. This amended was defeated by a voice vote after a limited discussion. An explanation was given by Faulkner about why a police cruiser should be a new car and not used. A vote for the amendment that was passed which changed the amount and funding sources was called for. The article was passed by a voice vote. Article 25. To see if the Town will vote to raise and appropriate the sum of \$64,310 for the proper expenses of the Police Department. (The appropriation for 2013 was \$57,611). The Selectmen recommend this appropriation 3 -0. Article was moved and seconded as read. Ed Scott, concerned to remove the \$6,000 cruiser outfitting costs from the budget and Dave Upton wishing to include \$2,000 of additional fuel costs, agreed that would decrease the sum by \$4,000, the amount appropriated would now be \$60,310. Amendment was seconded and passed by a voice vote.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Police Equipment Capital Reserve Fund. No withdrawals may be made from this fund except by vote of the Town and with the recommendation of the Police Chief. The fund balance as of 12/31/13 was approximately \$25,574. The Selectmen recommend this appropriation 3 -0. Motion was made to accept the article as read and seconded. Chief Pratt proposed to pass over this article since the funds are not needed this year. A motion was made to pass over this article. The article was passed over by a unanimous voice vote.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$4,000 for the purpose of patrols or details performed by the Nelson Police Department for the State of New Hampshire, Cheshire County Sheriff's Department, other municipalities or authorized private entities. The total sum to come from offsetting grants and/or revenues received for said patrols and details and no amount to be raised through taxation. This method of accounting is a Department of Revenue Administration recommendation which will not impact the Police Department budget. The Police chief and the Selectmen recommend this appropriation 3-0. Article moved and seconded. Article was carried by a unanimous voice vote.

Article 28. To see if the Town will vote to raise and appropriate the sum of \$3,295 for the purchase of a Digital Display/Directional Radar Unit with universal mounting brackets for roadside mounting. This unit displays the speed of approaching vehicles. This equipment is eligible for application to the State of New Hampshire for a reimbursement grant at 50% of cost. The Selectmen do not recommend this appropriation 3 – 0. Article was moved as read and seconded. Short discussion followed. Pratt stated that this article was being presented at the request of residents who are concerned about the breaking of speed limits. This would be used throughout the town at the discretion of the police. The article was defeated by a voice vote.

#### **ARTICLES DEALING WITH ROADS**

Article 29. To see if the Town will vote to raise and appropriate the sum of \$264,847 for the purpose of maintenance of highways and bridges for ensuing year. (\$32,000 anticipated revenue coming during 2014 from Highway Block Grant Aid.) (The 2013 appropriation was \$260.554) The Selectmen recommend this appropriation 3 – 0. Upton moved that this article be accepted as read with the following change to include the cost of fuel. This appropriated sum would now be \$289,847. Discussion followed. Both Mike Tarr and Nickolas Barrett spoke to the budget increases and maintenance needs of the Highway budget. Discussion followed. Article passed by a voice vote.

Article 30. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the town upon recommendation of the Road Equipment Committee. The fund balance on 12/31/13 was approximately \$51,739. The Road Equipment Committee recommends this appropriation. The Selectmen recommend this appropriate 2-1. Article moved and seconded. Short discussion followed about expenditures expected in the future. Vote was called for and passed on a voice vote.

Article 31. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be used for repairing and repaving of multiple surfaces, due to poor and deteriorating conditions on the paved Roadways in the Town of Nelson. The Selectmen recommend this appropriation 3 – 0. Article moved and seconded. Short discussion about costs and road conditions was held. Article passed with a hand vote of Yes 51 No 44. Article 32. To see if the town will vote to raise and appropriate the sum of \$25,000 to be used for Gravel and Stabilization fabric for the repair and resurfacing of multiple problem

areas on the gravel Roadways in the Town of Nelson. The Selectmen recommends this appropriation 3-0. Article moved and seconded. John Bunce spoke in favor of Mike Tarr's competence and this article. Dellegreca spoke to keeping the roads open for safety reasons. This article passed with a voice vote.

Article 33. To see if the Town will vote to notify the Governor and the Commissioner of the Department of Transportation of the State of New Hampshire, that the Town has no objection to the complete discontinuance by the State of New Hampshire of the portion of State Highway, being the original Keene to Concord Highway lying between Mill Pond Road and Old Route 9 (present Granite Lake Road) along land now or formerly of Cucchi, Methodist chapel by the Lake and Stefanik and that if the State does discontinue said highway, the Town of Nelson will not claim, assert or accept any right, title or interest to said highway or it's right-of-way.

This would only apply to the afore stated portion of highway and would not include any other portion of the highway known as Granite Lake Rd AKA Franklin Pierce Highway AKA Old Route 9. The Selectmen recommend this article 3-0. Article moved and seconded. Upton spoke in favor of this article and its intention. A discussion followed where concerns about safety, traffic patterns and maintenance issues were expressed and addressed. This article was passed by a voice vote.

#### ARTICLES DEALING WITH PLANNING & ZONING

None submitted for 2015

#### OTHER ARTICLES

Article 34. To see if the Town will vote to adopt the provisions of NH RSA 72:61 through RSA 72:72 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with solar energy systems (thermal and photovoltaic), wind-powered energy systems or central wood-fired heating energy systems, intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes. The Selectmen recommend this article 3-0. Article moved and seconded. John Bunce spoke against this article. David Birchenough spoke in favor of this article. He stated that 15 other towns in the Monadnock area have adopted this RSA. A short discussion followed. This article was defeated by a voice vote.

To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

At this time Alex Lange presented an announcement about a CPR program that is being offered to the residents of Nelson.

David Upton requested some time to attempt to set the record straight about the budget and our administrative costs, past and future. He stated how the errors of the past have been corrected and that we are now in good standing with the State Department of Revenue because of the dedication and professionalism of our Administrative Assistant and the Municipal Financial Clerk. He also gave a clear and concise explanation for the overtime hours that incurred. A warm applause was given.

Barbara Roland asked a budget line item question which was answered after the meeting by Edie Drinkwater

A motion to adjourn came at 1:45 pm.

Respectfully submitted,

Julia Lennon
Town Clerk/Tax Collector

#### 2014 Report of the Olivia Rodham Memorial Library

The Olivia Rodham Memorial Library continues to offer the traditional library services of books and magazines to borrow. Recently, we have added a large collection of DVDs, CDs and the opportunity to use a downloadable audio book and eBook subscription. The community has enjoyed a wide variety of programs and events at the library too. This year saw the expansion of the library by finishing the meeting room downstairs for added room for town boards and community groups to meet. Another community project has been the webpage. Since 2009 Gordon Peery has been the webmaster of the Library's Town of Nelson website. He created the website, including all of the diverse pages that describe our town. Gordon collected and skillfully connected many parts of our town with pictures, events calendars, history articles, nature articles and descriptions of many parts of the town. In 2012 the web page was named the best municipal web page in New Hampshire by NH Magazine. Gordon has now moved on to other activities and the Library Director, with help from volunteer David Pyles will now serve as webmaster. The library townofnelson.com website will continue highlighting many facets of our town. However, the Town government has chosen to operate a separate website, townofnelson.org. Our finale for the year 2014, was being awarded the "Public Libraries Toolkit" of legal resources from the New England Law Librarians. This collection of law books is available to all patrons. The use of the library, all events and subscriptions are available free for town residents.

**Events at the library, organized by the library:** 139 events this year *(119 last year) with* 1940 participants:

Nelson book group met 12 times with 57 participants

Nelson School learning library skills came to the library 2 times with a total of 113 attending Author events with Sarah Shea Smith presenting her book *They Sawed up a Storm* and Ernest Hebert reading from his new book *Howard Elman's Farwell*. 49 people came to these 2 events.

Bridge was played once with 4 players

Cattail Visors were made by 6 crafters

Quigley Art Project

Coffee Hour was held 52 times with 813 participants

Game night met 5 times and had a total of 59 players.

Knitters met 13 times with 39 pairs of knitting needles.

New England Law Librarian's award presentation of books had 13 attendees

Mad Science program for kids had 38 attendees

Open House for new library meeting room with 78 celebrating

Origami classes met 6 times with 26 participants

Seed Saving workshop with 14 potential seed savers

Story time met 26 times with over 131 participants

Summer Forums were presented 4 times and had a total of 326 attendees

Summer Reading Programs met 5 times and totaled 80 participants

Zentangle met 5 times and had a total of 16 participants

**Use of the library by groups:** There are many groups that use the library for regular meetings. There were more than 82 meetings by 15 groups. The library now has a meeting room on the lower level that is used for meetings and events.

#### Contributions to the library in time, talent and material goods.

The library is thankful for the 169 hours that volunteers put in this year during library hours. There were many other contributions and every one helps keep the Olivia Rodham Memorial the community library it is today.

Hannah Atmer, Tom Buttrick (Statistics) and Dave Pyles (Web page) helped with the computer.

Mary Cornog volunteered for 2 hours weekly.

Tom Buttrick and occasionally Eric Sandberg picked up coffee hour donuts.

Nina Iselin, Sara Sandberg and Susan Hansel recycled.

Ted Lenk pruned and took care of the blueberries and Tyler Pelczarski planted bulbs. Sara Shepherd, Amy Whitney and Dawn Garret Larsen gave time as the story time readers.

Linda Singer taught origami classes.

Nick Barrett and Mike Tarr moved the library basement contents during the building of the meeting room.

Susan Hansel, Martha Collins, Sara Sandberg, Betsy Church and Donna Kidd cleaned the library.

Tom Tolman installed shelves, and fixed a table and a door lock.

Val VanMeier, Jacqueline Roland and David Voymas presented a seed saving program. Anita Flanagan, Eric Sandberg, Sara Sandberg, Tucker Haddock, Tyler Pelczarski and Betsey Church, Jeff Taylor, Bert Wingerson and Russ Thomas provided general library help. Nelson Congregational Church opened their space for the Library Summer Forum. Our monetary donors this year are The Friends of the Library, George and Frances Alderson in memory of Bob and Hallie Robinson, Elizabeth T. Hatch Fund, Ruth Lape Memorial Fund, Mary Fiske Elliot Garden Book Fund, John Bradshaw, Kip Mackenzie, the Walton family, Teri Upton, Hardie Shepard Children's Book Fund, Mary Patek Special Fund, the Henry Melville Fuller Fund, the Suttenfield Fund for programs, and the EC and VC Taylor Gift (this year completed the bar-coding project). Many donations are made also of actual books, audio visual materials, and magazines. Al Stoops and Stacia Tolman donated subscriptions to magazines. Oliver Mednick and Betsey Street donated items to children's programming.

#### **Library Trustees during 2014**

Linda Cates (Chair), Laurie Smith (Treasurer), Carol Raynor (Secretary), Tom Tolman (building), and Susan Kingsbury (correspondence).

#### **Summer Reading**

The Nelson library summer reading program used the theme of **Fizz, Boom, READ!** Kids were invited to join an experimental activity each week for an hour of stories, experiments and fun! This annual statewide program is sponsored by CHILIS (Children's Librarians of NH) A volunteer took a weekly program: **Sarah Cornog and the Fizzy Rocket** using a 35mm film canister for a body, an antacid tablet for fizz and different liquid fuels to see which work best, **Val Van Meier with How to Make a Mini Flyable Hot Air Balloon with Candles**, **Puppeteer Gary Robinson, A Bubbly Bot Bash! with Jacqueline Roland** and **Nature Man, Al Stoops** returning with clues to an exciting treasure hunt. For the summer finale the library presented "Mad Science" with *Land of Fire and Ice*. (*Funding for the Kids, Books, and the Arts event is provided by the Jack and Dorothy Bryne Foundation, CHILIS, Cogswell Benevolent Trust, and is supported in part by a grant from the NH State Council on The Arts as well as funds administered by the NH State Library and provided by the Institute of Museum and Library Services, and by the Library's Suttenfield Fund.*) We awarded Toadstool gift certificates (donated by the Friends of the Library) and ice cream certificates (donated by Twinkle Town) to readers. During this reading program kids read books.

#### Friends of the Library Annual Book Sale

The 2014 Old Home Day book sale proceeds were as follows: Dues: \$285.50 Books: \$515.70. Small additions from book bags, pamphlets and Nelson authors' book proceeds brought the total to \$810.70. This compares with the previous years: 2013 total: \$1,383; 2012 total: \$928; 2011 total: \$1500. 2014 totals compared quite favorably since there were

only had about 2 months of book donations before the sale, compared with 12 months in other years, because of renovations to the Town Hall. The Book Sale and Friends memberships enables the Friends of the Olivia Rodham Library to donate \$1000.00 for new books, pay for the summer reading certificates for the children, provide money toward children's programming and pay the \$425 annual fee for Library World. The Friends also paid half the cost of the conference table and chairs in the new downstairs meeting room. Books are donated all year so that there is always a good selection for sale. The Friends also encourage everyone to become members of the Friends knowing that the money goes back to benefit the library. The officers are as follows:President: Sara Sandberg,Treasurer: Betsey Church, Secretary: Martha Collins. Susan Hansel will stay on Friend's Board.

#### **Nelson Library Summer Forum for 2014**

Heading the very interesting and diverse menu of presentations this summer was a talk by Ethan Tolman highlighting a Nelson newsletter circulated during World War II. The newsletter, published by Ethan's parents, served to inform service people of events in their hometowns of Nelson, Harrisville, and Dublin. Of special interest were excerpts of letters service people sent to the newsletter. *Music was by Max Nunnemaker and Gordon Peery and was* appropriate to the WWII era. The next forum, took us to Zimbabwe with Rhodesian native, outdoorsman (and now Harrisville General Store chef) Phil Gargan, as an avocation away from his executive job with the Tanganda Tea Company. Phil was a professional river guide on the Zambezi River for 17 years. He brought us visuals and tales of a world most of us will never experience. *Music with African roots was played by Paul Klemperer.* Karen Hersey, a Nelson native who for several years spent more time in Abu Dhabi than in Nelson, shared with us the where, what, who and why in her talk "Abu Dhabi Inside Out". *Music was from Apple Hill.* Allison and Hunt Smith wrapped up the forum presentations with their inimitable musical entertainment. Their love of music, of each

other and of connecting with the audience shows through when they perform. One never knows exactly what instruments and songs to expect, but everyone had a good old time!

Musical introduction was by Samuel, Sarah and Rachel Foucher of Harrisville, young musicians who play music with the Smiths.

This is the tenth year Nelson held the summer forums. They are free and open to the public.

#### **Adult Programs**

The library has become a place for many conversations and activities, both serious and enjoyable, among the community members. The adult book group meets once a month on the third Monday of the month. We read and discuss novels, memoirs and biographies. Game night was a great success. During the winter months more than a dozen of us met on the first Tuesday to play Scrabble, Dominoes, Bananagrams, Trumpet and other games. Coffee Hour on Saturday mornings has been a favorite, with many in the town getting together informally to discuss interesting topics and exchange ideas.

Respectfully submitted,

Kristine Finnegan, Library Director 1 Nelson Common Rd. Nelson, NH 03457 603-847-3214

# Reports from The Nelson School District

#### STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 6th day of March, 2015, at 7:00 p.m. to act upon the following articles:

- <u>ARTICLE 1</u>: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.
- ARTICLE 2: To see if the District will vote to raise and appropriate the sum of \$1,750,924 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.
- ARTICLE 3: To see if the District will vote to raise and appropriate up to \$275,000 from its unassigned fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2015, to be used to fund costs associated with an addition/renovation of the kitchen, multi-purpose room and administrative space and related costs, or to take any other action in relation thereto. (The Nelson School Board recommends favorable action on this warrant article.)
- ARTICLE 4: To see if the District will vote to raise and appropriate up to \$20,000 from its unassigned fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2015, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2015 to fund this appropriation and the appropriation in Article 3 (Addition/Renovation), Article 3 will be funded first, with any additional surplus to be applied to this warrant article. (The Nelson School Board recommends favorable action on this warrant article.)
- ARTICLE 5: To see if the District will vote to raise and appropriate up to \$5,000 from its unassigned fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2015, to the Special Education/Middle and High School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education/ and or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2015 to fund this appropriation and the appropriation in Articles 3 and 4, then Articles 3 and 4 will be funded first, with any additional surplus to be applied to this warrant article. (The Nelson School Board recommends favorable action on this warrant article.)
- ARTICLE 6: To transact any other business that may legally come before this meeting.

Given under our hands at said Nelson, this 4th day of February, 2015.

NELSON SCHOOL BOARD

#### STATE OF NEW HAMPSHIRE

#### SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 10<sup>th</sup> day of March, 2015, at 7:00 pm in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 11:00 am and will remain open for not less than eight hours.

<u>ARTICLE 1</u>: To choose all necessary school district officers:

One School Board Member for three-year term One Moderator for two-year term One Clerk for two-year term One Treasurer for two-year term

Given under our hands at said Nelson, this 4th day of February, 2015.

### **COMPLIANCE STATEMENT**

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the

1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Manager of Human Resources, 193 Maple Avenue, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 193 Maple Avenue, Keene, New Hampshire.

Wayne E. Woolridge Superintendent of Schools

March 7, 2014 Nelson Town Hall Nelson, New Hampshire

## **NELSON SCHOOL DISTRICT**

## **DISTRICT MEETING**

The Mission of Nelson School is to instill strength of spirit and ignite a love of learning.

Nelson School District Meeting March 7, 2014 Nelson Town Hall, Nelson, NH

Richard Church, School District Moderator, called the meeting to order at 7:00 pm. Anna Johnson, Nelson School music teacher, led four Nelson Elementary School students in two songs and led the Pledge of Allegiance.

Moderator Church introduced administrators from School Administrative Unit 29, Wayne Woolridge, Superintendent of Schools, Reuben Duncan, Assistant Superintendent, and Tim Reuhr, Business Manager for Towns. He asked those assembled to allow SAU 29 administrators to be allowed to speak as needed. It was so moved and seconded, and passed by voice vote that the administrators be allowed to speak. Fifty residents were in attendance at the meeting.

**Article 1:** To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

It was moved and seconded that the article be accepted as read. Article 1 passed by voice vote.

**Article 2:** To see if the District will vote to raise and appropriate the sum of \$1,975,038 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

The article was moved and seconded. After some discussion, Article 2 passed by ballot vote, 40 to 8.

**Article 3:** To see if the District will vote to raise and appropriate up to \$15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2014, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto.

Article 3 was moved and seconded. Article 3 passed by voice vote.

**Article 4:** To see if the District will vote to raise and appropriate up to \$15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2014, to the Special Education/Middle and High School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education/and or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2014 to fund this appropriation and the appropriation in Article 3 (Capital Reserve Fund), Article 3 will be funded first, with any additional surplus to be applied to this warrant article.

Article 4 was moved and seconded. Article 4 passed by voice vote.

**Article 5:** To see if the District will vote to raise and appropriate up to Eighty-five Thousand (\$85,000) for the replacement of the boiler system, conversion to propane storage tanks, required fire safety improvements to the boiler room, and associated expenses; and further to authorize a withdrawal of up to \$45,000 from the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes. The remaining balance, Forty Thousand Dollars (\$40,000) shall be raised by taxation.

Article 5 was moved and seconded. David Birchenough moved that the article be amended to delete the phrase "conversion to propane storage tanks." Sandy Mackenzie seconded the motion. After some discussion, the amendment was defeated by voice vote.

After further discussion, Article 5 passed by voice vote.

Article 6: To transact any other business that may legally come before this meeting.

Moderator Rick Church asked for and received a round of applause for Kelly French for her thorough explanation of the School District budget. Kelly French asked for and received a round of applause for Margaret Schillemat for her work as School Board Member, especially her evaluation of policies of the District. Joy Birdsey Smith announced the March 15 Pancake Breakfast and the Nelson School PTO Auction on April 12. Kelly French asked for feedback from parents on the current Nelson School schedule.

It was moved and seconded that the meeting be adjourned. The meeting was adjourned at 9:10 pm.

Respectfully submitted,

Katharine Schillemat

Nelson School District Clerk

Results of voting for Nelson School District officers on March 11, 2014

Elected:

School Board Member (3 Years): Sara Marean

atharine M. Schellemat

#### **ADMINISTRATIVE REPORT**

I would like to begin by acknowledging the work of the Nelson School Board. This dedicated three-member board continues to go above and beyond to make decisions in the best interest of the students of the Nelson School District. The board members give countless hours to the work of the school district and deserve the highest recognition in honor of their service. We are also fortunate to have at the helm of the Nelson School, Principal Tremblay, who puts her students first. The staff, families and students of the Nelson School District are a great source of pride for all of SAU 29.

Work continues on the new evaluation system. Staff members have completed their Professional Growth Plans and evaluations and self-assessments are taking place on a regular basis. The new evaluation plan incorporates student assessment data as an element in the evaluation. The Data/SLO (student learning objectives) subcommittee has been working on the use of student achievement data as a component of the evaluation system.

Another component of the Common Core Standards is the new student assessment the Smarter Balanced Assessment. The Smarter Balanced Assessment testing window will open statewide on March 16, 2015. The 12-week window will end on June 5, 2015. All grade-level assessments must be completed within the established timeframe.

- Grades 3 & 4 during weeks 1-6
- Grades 5 & 6 during weeks 3 -8
- Grades 7, 8, & 11 during weeks 5-12

Key features of the Smarter Balanced Assessments:

- ✓ Writing component for every grade
- ✓ Questions & performance tasks that require students to demonstrate skill in the areas of research, writing, and problem-solving
- ✓ Accessibility and accommodations for students at all ability levels

An important distinction of the new assessment is that the tests are more than simply a "year-end" assessment. Teachers will have access to a digital library with resources designed to aid teachers with classroom-based assessment practices. The online library will also serve as a "virtual professional learning community" whereby teachers will have the opportunity to share their experiences as well as to rate the resources available to them.

Optional interim assessments and year-end summative assessments will also be available to assist teachers with determining student growth and performance.

A significant component of the Smarter Balanced Assessment is the technology necessary to support this online assessment. Work has been underway for some time to strengthen the technology infrastructure in order to support the testing process. Bandwidth is being tested and increased as needed and staff will receive training on how to digitally administer and proctor the assessments. I am confident that we will find that our students will perform well on the new assessment and the result will be a better means of strengthening our instruction.

I invite you to visit the Nelson School, attend a school-related activity, or participate in a school board meeting; I encourage you to attend the Annual District Meeting on **Friday, March 6**, **2015 at 7:00 PM**. Thank you for your support of Nelson's children and their education.

Wayne Woolridge Superintendent of Schools

#### **NELSON ELEMENTARY SCHOOL PRINCIPAL'S REPORT 2014-2015**

When asked by the SAU Central Office and the Nelson School Board to join the Nelson School staff as Interim Principal for the 2014-2015 academic year, I was more than delighted to do so! Having served in numerous capacities for SAU29 over the years (Assistant Principal and Principal at Keene High School, Principal of Franklin Elementary School, Assistant Superintendent and Interim Superintendent of SAU29) and as Superintendent for seven years at Mascoma Valley Regional School District, in my 'retirement' I was thrilled to accept the position and the opportunity to work side by side each day with this truly outstanding and dedicated staff and with eager students ready to learn. The communities of Nelson and Sullivan offer tremendous support to the School, staff, and children, and our families are our partners in creating and sustaining positive and stimulating learning opportunities for each child.

The number of children in Kindergarten/Readiness, grades 1/2, 3/4, and 5/6 currently stands at 64, with fluctuation throughout the year. We expect to be over 70 children in the fall of 2015. Time will tell.

The Sullivan and the Nelson School Boards took the opportunity to meet in mid-December to discuss their partnership, future endeavors and goals. This is the second year of the agreement between Sullivan and Nelson, and all seemed pleased with the arrangement for the children and the communities. Another joint meeting will be held in the spring. This fall, the Nelson School Board held its annual retreat with the School staff where goals, future needs, and the potential renovation of the school were discussed in detail. The opportunity for a free-flowing exchange of ideas, recommendations and future planning was ideal and led us to confirm the two key goals: community building and continuous communication, internally and externally.

The Nelson School staff consists of four classroom teachers, each teaching multiple grades: Cindy Benner (Kindergarten/Readiness), Mary Triolo (Grades 1/2), Kristin Roach (Grades 3/4), and Emilia Whippie Prior (Grades 5/6). We are also joined each day by Jennifer Kiernan, our special educator, who works with children at each grade level, both individually and in groups; Julie Wilber, our inclusion aide, who also assists at each grade level; Michelle Nordman, who primarily assists in Kindergarten, but who also assists in other grades with individual students or even with full classes, where she enjoys teaching concepts in social studies, her area of specialization. Also, a part of the staff are: Catherine Seltzer, who assists with an individual student, but may also be seen helping in myriad ways in Kindergarten and throughout the School; and Martha Silk, our Title I aide, who works with children across the grade levels. Kim Keating, our Administrative Assistant, wears many hats throughout each school day and is a most valuable member of our team. From greeting visitors and answering phones, from preparing and cleaning up after meals to caring for a wide array of other daily tasks, from preparing purchase orders to accounting for lunch sales and the After School and Strings programs, Kim has quite a job to do!

The staff works as a close-knit team, sharing concerns and ideas, projects and resources. To continue our internal community building and improve communication, the staff meets every Thursday, at which time we are able to share and update one another on educational issues, prepare for upcoming events, discuss scheduling issues, etc. We laugh a lot to ease the stresses of the day, but enjoy sharing ideas and suggestions, as we consider how best to address each student's needs. This group is deeply committed to the learning and overall well-being of each child and this guides us in all our decision making. Again, we are fortunate to partner with the parents, guardians, and families of our students, who work with and collaborate with us in this endeavor.

We are also fortunate to have part-time staff members who work with our teachers and students one day a week. Our Nelson School Nurse, Patricia Woodruff, spends her day with us on Tuesdays. She has updated all medical and immunizations records, worked with me to procure a locked medication box, does vision and hearing screening, and more. She also meets with Kindergarten and grades 1/2 with me weekly to share/discuss health issues as part of their guidance time. Becky Kohler, our guidance counselor, meets with each grade weekly to present an activity that relates to such topics as conflict resolution, feelings, etc. She is also available to meet with individual students and small groups to discuss specific topics relevant to them. Stacey Gonzales joined our staff this year as our Spanish teacher. She meets each week with each grade to engage in discussions and activities that make the Spanish language come alive. Returning specialists, Rebecca LaQuarre in art and Dan Durand in physical education engage all students in creative and movement activities that all our students really enjoy. Finally, Matthew Hunter, our new music teacher, joins us on Friday mornings for the all-school sing along, and then meets with each class to enjoy all aspects of rhythm, sounds, and movement. Where possible, the specialists do try to integrate their work into what is happening within the classrooms at each grade level.

Our schedule also allows us to meet together as a whole school community each Tuesday morning to discuss upcoming events, spirit days, celebrate birthdays, and more. Students intermingle across the grades, so that every student gets to meet and know all the other students in our "Nelson School Family." This year, the specials and guidance programs were scheduled throughout the week in such a way that students can look forward to a "special" each day as part of their learning experience. This has also allowed our teachers to have reliable preparation time every day, something which I consider essential to support and enable the continuous planning needed to create a successful learning environment for our students.

Nelson School hosts other programs that are a significant part of the culture of the school. The After School Program, led by Debbie Haskins, assisted this year by Peri Fletcher, Nicole Stevens and Karen Woods, has been very successful and provides tremendous support for our families. The program is available each school day and the number of children attending varies daily from twelve to over twenty. Outdoor and physical activities are available, as well as indoor crafts, daily homework time and assistance, and always, delicious, healthful snacks. An instrument program is also available, offered by Karen Woods each week, as well as a strings program, offered by Louisa Engels. This spring, we hope to have our students work with the Keene High School Horticulture Program and local Nelson gardening and community clubs to beautify areas around the school and community. The state has also approved another year of the "Blizzard Bag" which allows students and staff to work together via email or phone during a snow day in order to complete assigned educational tasks. This program will be assessed by staff, students, and families this year to determine its efficacy for our students.

Nelson School has participated in numerous enrichment events this year, many supported by our active PTO group. These include Drive-In Movie Night, our Open House evening with a delightful lasagna dinner provided by the Pub Restaurant, Colonial Theatre outings for all grade levels, with a Children's Stage Adventure coming this spring, and more. Please do not forget the PTO Auction, scheduled for Saturday, May 2, 2015!!!! It should not be missed.

Students have also enjoyed Halloween activities and parades, the annual all-school Thanksgiving Feast (again with appreciation to the Pub Restaurant for excellent food), the Holiday Sing at the Town Hall with families and community members, Nelson Fire Department and Mutual Aid presentations to each grade level to emphasize fire safety and home safety plans and evacuation, "Charlie Brown" -- a presentation by the KHS Drama Club at Harrisville School, with a Spring Concert to come, and much more.

Thank you to Emilia Whippie Prior for organizing and operating the very successful winter clothing swap with her grade 5/6 class. We hope to have a spring swap as well. We have held our second Pancake Breakfast, an event that supports each class by helping them raise funds for their 6th grade trip. Two more to come. We enjoy seeing community members and families at these breakfast events, and students do an excellent job waiting on tables and selling raffle tickets. Thank you to all for your support.

Curriculum, instruction, and assessment are keys to educational success. The following is a very brief synopsis of the areas of focus at each level:

**Kindergarten/Readiness** are involved in a year-long study of trees with seasonal visits by Polly Pattison of the Harris Center for Conservation. All the children are now reading, whether in a picture reading book or a decodable. With this skill has also come added writing work, with the first piece expressing what they enjoy about winter. They continue to develop math, grow fluency with sums to 5, counting by 1's, 5's, 10's and 2's. They also can extend patterns. Social Studies has focused on the Civil Rights Movement and various key figures from that era. This group also serves as our school recyclers every day!

**Grades 1/2:** All the students are reading, many in chapter books. They also love being read to, and enjoy Laura Ingalls Wilder's <u>Little House on the Prairie</u>. The Rocket Math Program has the students engaged in addition and subtraction and understanding number sense as a concept. In March, the Harris Center will join us for six weeks to teach about worms, which the students will be able to observe in the classroom. The class is working on conflict resolution among peers and considering facts about our community.

**Grades 3/4** are enjoying several units in science and social studies, including land and water, space, electricity and magnets, a unit on beavers with the Harris Center, and a study of our state of New Hampshire. Students are extending fluency and comprehension skills in reading and writing comparative, creative, and narrative pieces. Technology is a daily factor in these grades for research, extending knowledge in math and reading, and as an assessment tool. There is a deep concentration in multiplication, division, and fractions, which require much practice for full understanding. Students are also focused each day on character building concepts such as peacemaking, assisting others, etc.

**Grades 5/6:** I must mention last year's grade 5/6 who constructed a bridge over the stream behind the school in June. Students had the opportunity to use many skills and to support one another in this project. This bridge is used by everyone this year. 5/6 students have been learning about Ancient Civilizations around the world, about how people lived and what contributions they have made to our modern society. Students have been reading non-fiction works as well as fiction to extend their knowledge and comprehension in several areas. Nelson School students joined the 5/6 class from Wells Memorial School in Harrisville to travel to the Lowell Mills to learn about engineering and science and how those disciplines were used in the construction of the mills and their machines. The students are deepening their knowledge of all four mathematical operations, fractions, decimals, geometry, and more. These students are the leaders in the school and model "perseverance" -- our word of the year -- as well as kindness and a positive, can-do spirit that is contagious.

Continuous teacher assessments are a part of each day as we ascertain how each student is progressing, where additional support is needed, and how we will assist each student in moving forward. Other assessments such as the NWEA and Dibels are performed three times a year and focus on language and reading skills, as well as math. Again, these tests provide data as to how each student is progressing, and enable us to consider instructional implications and resources needed, etc., to assure continued student growth. The Smarter Balanced Assessment will take place this spring and

replaces part of the state's NECAP testing program. Children in grades 3, 4, 5 and 6 will participate in this new assessment.

Finally, we ask for the community's support for the proposed 2015-2016 budget and renovation project. We seek to construct a new kitchen space that will allow inclusion of a suppression hood, dishwasher, additional storage and counter space, and enable us to adequately meet the needs of our growing student population, as well as building codes and state requirements. Handicapped-accessible restrooms are a must, as well as other storage spaces and improvements to instructional spaces complete the renovation plan. We will be able to manage the cost of this project within our budget with no additional bonding required. We are all so grateful for the community's support.

Nelson School provides a wonderful learning environment for Nelson and Sullivan children. Each day, the positive energy and collaboration that "is" Nelson School can be easily felt by all who enter the School. All staff members, community partners, and families have contributed to making Nelson School an outstanding, dynamic place for learning and growing. It has been a tremendous pleasure and honor for me to serve as your Principal this year. Thank you to all for your support. Respectfully submitted,

Barbara S. Tremblay Interim Principal

# Selectmen's Report 2014

### Select Board Report for 2014

It's been a challenging yet productive year for your Select Board. Thanks to the capable, dedicated service of the people in our Town Office, Edie Drinkwater, our Administrative Assistant; Anita Treloar, our Financial Clerk; John Shea, our Treasurer; Donna Kidd, our Clerical Assistant; Loren Martin, our Assessor; Julia Lennon our Town Clerk/Tax Collector and Karen Castelli, our Deputy Town Clerk/Tax Collector we've successfully managed the day to day business of the Town as well as a number of special projects.

Edie Drinkwater, Administrative Assistant

Anita Treloar, Financial Clerk

Anita will be retiring this year. She has served as our Accounting Adviser since 2012. We wish her all the best and want to thank her for her service to our Town.

Julia Lennon, Town Clerk/Tax Collector

John Shea, Town Treasurer

Also a special thanks to Wayne Fulton our Town Sexton for his great work keeping our buildings and grounds neat, clean and in good order. Wayne's enthusiasm and desire to do the best possible job in everything that he does has been noted by all of us.

We are especially pleased with the results of the audit of our 2013 financial records and procedures that was conducted by the firm of Roberts and Greene during 2014. Their results are positive and complimentary of the work done by our staff in the Town Office. An excerpt from their letter to management is as follows:

### Improvements in Town Records and Procedures

We were pleased to see that the Town has engaged individuals with experience in office management, municipal accounting and Quickbooks so that many of the problems (noted in prior years) had been corrected. The chart of accounts had been cleaned up and accounts were more accurate and easier to follow. Asset and liability accounts were established and used properly so that material amounts, such as the liability to the school district, were properly recorded. In the past, there was an issue in that monies that did not belong to the General Fund were recorded as assets there, thereby overstating General Fund fund balance. While the Town continues to report all cash accounts in the Quickbooks system as a way of keeping track of them, there are now offsetting liability accounts maintained to allow for a more accurate presentation. Overall, a lot of work has been done on the general ledger to correct problems noted in the past. We commend the Town for taking these steps to improve the financial recordkeeping and reporting.

#### **Budget and Expense Management**

Our year began with the challenges of managing the necessary work of the Town with a budget that limited our efforts to only essential services. Reducing a budget to the amount expended in the previous year, as was done in the case of Article 2, allowed no funds for unexpected expenses that may arise during the course of the year. By law we can not expend a penny more than the total of the funds appropriated for a given year.

As a result, we took the following steps in order to assure that we could maintain a balanced budget during FY2014:

- 1. All agencies funded under Article 2 must restrict their expenditures to no more than the amounts spent in 2013.
- 2. Only minimal levels of maintenance for buildings and grounds and compelling emergency repairs will be done.
- 3. Select Board Meetings will be held every other week beginning at 3 pm and continuing until no later than 7 pm.
- 4. Select Board meetings shall be organized more formally in order to make the best possible use of time. Those wishing to address the Board must submit their name, their topic of interest, and a written description of their presentation to the Administrative Assistant no later than one week prior to the meeting in which they wish to participate.

5. Requests for information involving unusually large amounts of research time must be submitted to the Select Board in writing for approval by the Board at its next meeting.

As a result of the lack of funding for unexpected emergency expenses, in the 2014 approved appropriation for agencies funded by Article 2, we took the following steps to closely control and monitor expenditures and budget status for all departments and agencies in order to make sure that there would be adequate amounts of cash on hand at the end of 2014.

- 1. All departments with adequately funded budgets; Highway, Police and Fire, are required to have at least 20% of their approved 2014 appropriation on hand as of December 1, 2014.
- 2. All departments must comply with the newly approved Nelson Purchasing Policy.
- 3. Purchase requisitions must be submitted by the requesting department and approved by the Select Board before any order for goods or services is placed.
- 4. Effective immediately, credit card expenditures for all departments shall not exceed \$100 per month unless otherwise approved by the Select Board. Credit card receipts must be submitted to the Administrative Assistant within 5 days of the purchase that is made using the card.
- Accurate records of the amounts of fuel used by each department must be made and submitted to the Administrative Assistant at the end of each month.

Thanks to the understanding and cooperation of all departments, we finished the year with all of our bills paid. This was accomplished even with unexpected expenses of \$10,000 to repair the engine on a Highway Department plow truck and of \$11,000 to repair a water pump on a fire truck.

#### **Construction Projects**

Much of our attention this past year was paid to construction projects for our Library and our Town Hall. Contracts were awarded for both projects, the finishing of the lower level of our Library and the renovation of our Town Hall, shortly after their approval at Town Meeting. The contract for the work on the Library was awarded to Keene Commercial Construction while the contract for the work on the Town Hall was awarded to Ingram Construction. The approved bids for the two projects were \$61,625 and \$339,393 respectively. Very nearly all of the funds appropriated for the Library project were spent. The Town Hall project came in at nearly \$79,000 under budget.

#### **Library Lower Level Project**

The work at the Library included the partitioning of the space in the lower level into a Meeting Room, an Archives Room, and a Storage Room. It also included the completion of a handicapped accessible bathroom. Mechanical improvements included the installation of an air-sourced heat pump system that will provide both heating and cooling for both the lower level of the Library as well as the Library proper. Also installed was a dedicated dehumidifier unit that serves both the Archives Room and the Storage Room. The interior construction for the project was completed by Keene Commercial Construction and approved on May 30.

We have become concerned with the adequacy of the climate control system that was designed and installed in the lower level of the Library. We are confident that the heat pump and the dehumidifier system as designed will meet the general needs of those spaces. However, the

temperature/humidity controls for the storage of paper archives are very demanding, typically 60 +/- 5 degrees Fahrenheit and 45 +/- 5% relative humidity. Our preliminary measurements lead us to believe that the existing climate control system, with only one heating/cooling head located in the Meeting Room, will not be able to control both temperature and humidity in the Archives Room within the desired limits. We are continuing to monitor temperature and humidity in the Archives Room and to seek designs and quotations for additional climate control equipment dedicated solely to maintaining the desired temperature/humidity in the Archives Room.

#### **Town Hall Project**

Many of us enjoyed watching the heavy lifting and concrete pumping associated with putting a new foundation under the Town Hall. Much work went into preparing for the new footings and new walls for the foundation. The old rubble stone foundation was removed as well as many feet of silt and fine sediments not suitable for supporting concrete footings and walls. Drainage piping was installed both inside and outside of the walls and covered with a fabric to prevent silt from clogging it. Concrete footings for posts for supporting the floor were installed. Next crushed stone was brought in covering all the floor space to a depth of approximately 18 inches. Then the cribbing supporting the building was removed and the building lowered back to its original elevation. Shortly thereafter the granite capstones were put into place between the sills of the building and its new concrete wall. Finally, with the support cribbing removed, the concrete floor was poured and additional floor joists were installed.

During the time that the building was lifted above its foundation, the clapboards on the East end and those along the base of the building were removed exposing rotted sills, plates, studs, and wall sheathing. These have all been replaced with new materials. The source of the dampness on the interior of the East wall was found to be a leak around the window in the East gable. A properly flashed and sealed replacement window has been installed there.

Once the building was securely back on a level foundation, the degree of racking of the walls could be measured and the "de-racking" process could begin. As you may recall, we had determined that the East end of the Town Hall was 5 to 6 inches out of square and plumb. This end of the building was leaning toward the South. Further measurements showed that the North and South walls of the building were tilted out of square in varying degrees along their total length. A series of chains and pneumatic power pullers were used to pull the walls back into square. The results of this work are impressive bringing all walls back to within 1/2" of being plumb and square.

Next additional members were added to the roof trusses to increase the load bearing capacity of the roof and to make sure that the walls stay plumb and square. Supports for the roof trusses are also being strengthened with the addition of vertical members installed under them on the interior walls.

The furnace was moved to the mechanical room in the Library basement and an ambient air cooling component installed. With that work completed, the hall is quiet when the furnace is running and can be effectively cooled with the turning of a timer switch.

The finishing touches included re-sheathing the exterior, painting both the interior and exterior walls which were replaced during construction, the final grading of the grounds. Thanks to a generous gift of more than \$10,000 from the Monadnock Folklore Society, additional electrical outlets, improved lighting and sound systems, and an audio/visual system were installed. In addition the MFS contracted and paid for the repair and refinishing of the hardwood floor.

Final touches were completed by Fred O'Connor from Historic Harrisville. Fred repaired and restored the windows and the front door to the Town Hall. Fred's work was funded by a \$10,000 Moose Plate Grant which the Town received last Spring.

#### **Fire Department Training and New Equipment**

Thanks to the financial support from our community and to the time and effort invested by many of our volunteer firefighters seven firefighters became newly certified by the NH Fire Academy at the level of Firefighter I. Members of the Nelson Fire Department who successfully completed the Firefighter I training are Winston M. French, Winston O. French, Benjamin A. Mullett, Andrew W. Scanlon, Jason D. Walter, Jeffrey T. Walter, and Andrew P. Ward. Also trained and certified as Firefighter I was our Police Chief, Richard Pratt.

In addition to this training, funds provided by the Town have been used to purchase new turn-out gear and air-packs for our firefighters. We believe that the time and money spent on training and equipping our firefighters contributes significantly toward improving the safety and effectiveness of their operations.

#### **Economic Sustainability Project**

Finally, this year, we have organized the Nelson Sustainability Group. Those participating include the members of the following boards and commissions: the Agricultural Commission, the Conservation Commission, the Planning Board, and the Select Board. Our goals are to find ways to maintain a sustainable environment and a sustainable economy in Nelson as we experience the effects of diminishing supplies of petroleum.

The Sustainability Group held its first meeting on November 20 and will meet again on January 15. The goal of our first project is to develop a position paper that describes the problem, identifies its impact on our lives, and proposes a course of action to address identified needs.

In a supportive effort, the Nelson Town Buildings Committee has expressed an interest in participating in the study of projects that could provide renewable energy for our Town. We will be gathering information in this regard during the upcoming year.

#### **Special Warrant Articles for 2015**

Special Warrant Articles for 2015 address the need for repairing the Bailey Brook Bridge on the Old Stoddard Road and the continuation of the study of the economic feasibility of purchasing a gravel pit.

The Bailey Brook Bridge has been inspected and found to be structurally deficient by the NH DOT.

A gravel pit in Gilsum, presently owned by Lane Construction Corp., is on the market for sale. The purchase and operation of this gravel pit by the Town of Nelson could potentially reduce our Highway Department budget. There are many finance considerations to be made before the relative advantages of making this purchase can be fully known.

#### **Donations for the Town Hall and Library Lower Level projects**

A group of dedicated Nelson residents created fact sheet to explain the details of the plans for both the Town Hall renovation and the Library Lower Level projects. They went door-to-door talking to voters, encouraging them to come to Town Meeting to hear more and to vote. In addition, this group called "Friends of Nelson Buildings" encouraged anyone who wished to, to contribute

financially to either or both of the building projects. Summer residents and contra dancers from all over were contacted as well. The result was over \$80,000 donated to pay for a portion of each project. This was a amazing show of community support.

#### **Resolutions for 2015**

An ongoing concern of your Select Board is the distress that our present property tax system creates for our low income residents. We support a resolution, developed by the Select Board in the Town of Webster, NH, that asks the Governor and Legislature to find ways for the State to fund the education of New Hampshire students in ways that will significantly reduce local property taxes.

Thank you. We look forward to serving you in 2015.

The Nelson Select Board David Upton, Chair Maury Collins Susan Hansel

#### **Town Office Staff Report**

#### 2014

Work continued on mapping challenges through June of 2014. Challenges were resolved in a number of different ways. Some were clarified and corrected according to surveys, others were modified through recorded boundary line agreements, but in many cases land owners were unable to present documentation to prove their challenges. If a challenge could not be proven then the mapper's calculation of acreage has been maintained. In a few cases, properties split by town boundaries have required corrections in the assessing and taxing records for both Nelson and Stoddard. One unusual case is still being processed at this time as it involved the taking of land due to a previous mapping error.

Going forward, maps will be updated each year to include all changes which occur during the previous year. This should assure that lot line changes, subdivisions, etc. will appear on the maps within a year after they occur.

This year the Town office launched the Town of Nelson official Government website located at <a href="townofnelson.org">townofnelson.org</a>

The site is for official Town business such as meeting postings, minutes, and public notices or alerts, as well as a link to Ready New Hampshire.

Late in 2014 the State of New Hampshire Department of Revenue launched its new program and requirements for submitting Town Warrants, budgets, and revenues. As with all new programs there is a period of uncertainty as we all struggle to learn the process and use the new system that has come at our busiest time of the year.

Finally, we were pleased with the auditor's letter to management acknowledging the progress that has been made in the fiscal reporting from the administrative office. We hope to make even more improvements as we become proficient with the new DRA forms and program.

Respectfully submitted,

Edie Drinkwater, Administrative Assistant Anita Treloar, Financial Clerk

# Town Buildings Committee Annual Report 2014

In 2014, the Committee focused on the Town Hall and Library Lower Level renovation projects. Committee member Russ Thomas served as Clerk of the Works for these projects, and the Committee met regularly to address construction questions.

The Town Hall renovation, consisting of a new foundation and drainage, de-racking of the walls, rafter stabilization, furnace ducting and ventilation enhancements, and interior repairs and finishes, was completed in September. The project came in under budget thanks to excellent construction management by Ingram Construction.

The Library Lower Level project to finish the space -- adding a meeting room, a special purpose Archives room, and a storage room -- and upgrading the heating and ventilation systems, has had some challenges. The Archives room does not have appropriate temperature and humidity control. Overall, heating and ventilation have not functioned as expected and the Buildings Committee continues to address these issues.

Looking forward to 2015, the Buildings Committee is researching solar power to determine whether this will be a cost-effective project to propose next year. Hancock and Harrisville have completed successful municipal solar projects. As information becomes available, the Committee will host public meetings to gain input from town residents.

# Town Clerk/Tax Collector's Report 2014

I am pleased to report that I have survived another year as your Town Clerk/Tax Collector. I truly enjoy working as a public servant for the town of Nelson.

The big change during this past year was the addition of Karen Castelli as the new Deputy Town Clerk. She is also serving as the clerk for the Planning Board and the Zoning Board. Karen and her husband, Phil have been property owners in Munsonville since 2000. They became permanent residents in 2011. Karen is a wonderful asset to the office. Her outgoing personality, friendliness, eagerness to learn and to be of help is greatly appreciated. During her first year she has attended training sessions in Concord for motor vehicles, elections and a 2 day new clerk workshop. She also accompanied me to the spring tax collector workshop in Marlborough.

I once again attended the regional and state conferences for town clerks and tax collectors. I am now in my 2<sup>nd</sup> year of the New Hampshire Town Clerk and Tax Collector's 4 year certification program, which I am finding extremely worthwhile.

It became necessary to make some changes to our town web page since only official town business is allowed on the site. Therefore, the official town web page has been changed to <a href="https://www.townofnelson.org">www.townofnelson.org</a>. Also, my new email address is <a href="townclerk@nelsonnh.us">townclerk@nelsonnh.us</a>.

This past year has been filled with firsts for me: My first town meeting as your Town Clerk (and it was a long one), my first General State election and my full first year of collecting taxes have all been completed successfully and I'm still relatively sane.

The elections ran smoothly mostly because of all the help I received from my deputy, the supervisors of the checklist, the poll workers, ballot counters and our moderator, Rick Church. I think we made a good team. I am always in need of additional poll workers and ballot counters. It's a great way to serve your community. Please contact me if you are interested.

Julia Lennon Town Clerk/Tax Collector 603-847-9043

#### **MUNICIPAL RECORDS REPORT – 2014**

This past year has seen our committee complete the clean-up of the records which had accumulated upstairs in the Brick Schoolhouse for many decades. It is just wonderful to come to this stage, where we are now moving into the process of setting in place procedures for accepting town records each year as department records are closed for the previous year, and for getting them cataloged and entered into the electronic database.

We look forward to the time when our new space is ready to accept the archives so meticulously handled by Bert Wingerson, our beloved Archivist, as well as the more recent permanent records which are ready to be stored in this climate controlled area. Non-permanent records, those kept for the State-mandated length of time before final destruction, will also move to this area. The town should be justly proud of its effort to care for records. It shows a stewardship and respect for our town's past, and safeguards our rich history for those, like us, who come to love Nelson in the future.

Respectfully submitted

Teri Upton, Chair

## REPORT OF THE NELSON TOWN ARCHIVIST 2014

The new archives room was completed in the lower level of the Olivia Rodham Library this year as part of the project to renovate the Town Hall and to convert the basement of the library to useable space including a meeting room, the archives, and storage space. Although it was planned that the present archives would be moved to the newly built archives when it was completed this year, it was found that temperature and humidity requirements were inadequate to meet national standards required to protect the important historical records contained in the archives. It was decided to monitor the conditions in the new archives to determine what corrections were needed so a digital monitor was installed and monitored. It is expected that the problems will be corrected next year and the new archives room will be ready for the transfer of the contents of the archives from the present location in the second floor of town office.

The Nelson Municipal Records Board is very close to completion of their inventory of town records stored in the second floor of the town office. It was a much needed project and will greatly improve operations of the town office. When new archives are opened in the lower level of the library, it will include the municipal records as well.

The Nelson Archives continues to participate in the Historical Society of Cheshire County's History Round Table to represent the Town of Nelson and support the Round Table projects.

We are happy to answer requests for historical and genealogical information and welcome any donations of historical material that will add to the understanding of Nelsons past. We thank Ethan Tolman for his contribution of early primary town records and the Marlborough Town Archives for old photographs of Nelson.

Respectfully submitted, Roberta Wingerson, Town Archivist Susan Hansel. Assistant

# REPORT OF THE NELSON CEMETERY BOARD 2014

No report submitted

Patricia Jones, Chair Members Tom Newcombe Elaine Giacomo Judi Lang Marty French

## REPORT OF THE TRUSTEES OF TRUST FUNDS 2014

The Town's continued participation in the New Hampshire Public Deposit Investment Pool (NH-PDIP) ensured stable – although minimal – investment returns during 2014, while providing the security required by state law and the Town's investment policy.

Continuing the recent practice of 'retiring' any trust funds whose original purpose has been fulfilled, the Trustees – upon request from the Library Trustees and Board of Selectmen – closed the 'Henry Melville' Trust fund originally created in 1932 for support of the town's original library. The proceeds were donated by the Library Trustees toward the library basement renovation project, reducing the amount needed from taxpayers and private donors by \$998.42.

The Trustees would like to remind potential donors about the new provision in the Trust Fund Investment Policy which authorizes private donations in the form of securities to fund special Town purposes. Adopted in 2013 to facilitate creation of the Jack Bradshaw Fund — which funded the Town's new emergency rescue vehicle — this provision provides flexibility and potential tax advantages to individuals wishing to sponsor or support worthy Town projects. The Trustees were delighted to receive a generous gift of securities in 2014 to help fund construction of the Archives room in the newly-renovated Library basement.

Any residents who would like further information on Nelson's Trust Funds or investment policy are invited to contact one of the Trustees, or to attend one of our posted public meetings.

Respectfully submitted,

Thomas B. Newcombe Elaine Giacomo Trisha Jones

# Nelson Conservation Commission Report 2014

The Nelson Conservation Commission welcomed two new regular members this year with Tom Newcombe and Rick Church joining us as well as Susan Hansel as an alternate member and a representative from the Select board. We thank Roberta Wingerson and Bub French for their many years of dedicated service. Marshall Davenson also continues to serve as a regular member as well as Anne McBride as an alternate.

We started out the year by setting some goals to guide our work and have enjoyed some success. We have identified and visited much of the land which the town owns or on which it holds conservation easements. We held two programs including the traditional town wide clean up in August and an invasive plants talk and walk led by our county forester, Steve Roberge. Both events were well attended and informative.

In November, a number of us attended the NH Association of Conservation Commissions Annual Meeting, and invited Jacqueline Roland to attend with us, as a student, since the theme was "Engaging Young conservationists." It was an excellent event and we came away with lots of great ideas to incorporate into our work in Nelson.

We are currently working on a project to conserve a large parcel of land on Osgood and Hurd Hill. If this project is successful, we can look forward to having a town forest which will provide many recreational opportunities for the people of Nelson and a sustainable source of income through periodic timber harvests. This land was identified as one of the priorities for conservation by the 2001 Nelson Natural Resources Inventory, so the project fits in with the long term plans of our Conservation Commission.

We continue to support the work of the NH Lake Hosts on Nubanusit, Silver and Granite Lakes to keep our lakes free of invasive plants and animals. WE thank them for their diligent service. We also continue to plan other activities to educate townspeople and to enjoy the great land that we all call home. Working with other town boards and committees we will offer programs and hikes over the coming year. Look for information on these events including a town wide roadside cleanup in April (before the black flies and the vegetation get too thick!) and a vernal pool program in May.

Please feel free to let us know if there is something you would like us to address at our meetings or in an n upcoming program. WE meet on the second Thursday of each month at 7:00 PM in the new library meeting room.

Respectfully submitted, Katharine Schillemat, Chair

# Police Chief's Annual Report 2014

It has been a year to remember. I would like to dedicate this year's police report to Charlie Lang, a gentleman I would call on for a little history and wisdom from years of being a Nelson Resident and a true friend of mine. I will truly miss him and the south has gained an asset. I would like to thank everyone for the support it has shown the department throughout the year.

We did purchase a new 2014 Ford Explorer, had it equipped, and it has been in operation since early summer. By shopping around and spending wisely we did return a large amount of the appropriated funding.

For those of you who have kids in the school we have been having an officer stop in and talk and have lunch with them. We held another Halloween party that was co-sponsored with the Nelson Fire Department. There was fun for all, young and old.

I hope we can take credit as the increase in patrols seems to have been a deterrent to the number of burglaries this year. We want to be as visible as possible. We still need everyone to help keep an eye out for anything that doesn't look right.

If you have any questions please call us at 355-2000.

Thank you,

Richard C. Pratt, Jr. Chief of Police

Officer Brian Lord
Officer Wayne Kassotis

### TOWN OF NELSON ROAD AGENT'S REPORT 2014

With the first half of the 2013 – 2014 winter season quiet, the Nelson Highway Department was able to continue their fall project of cutting hazardous trees by the roadside. With the cooperation of the land owners who accepted the cut wood, we were able to complete this project for the Lead Mine Road, Apple Hill Road, and Hardy Hill Road. Although this winter season had no block buster snow storms, the second half of the season kept the Nelson Highway Department very busy with numerous smaller storms. These storms proved to pile up and gave us a large amount of snow that needed to melt come spring. For a third year in a row, the Road Crew needed to contend with another challenging mud season. The Road Crew battled the same trouble spots from the previous years. With the heavy snowfall and spring mud, a lot of material was used.

The project to perform the necessary repairs to the Granite Lake Boat Landing experienced unexpected delays in 2013. The process of obtaining the necessary Wet Lands Permit grew lengthy. With this process taking over six months, the project of installing cement boat planks was not able to be completed in 2013 due to the winter freeze. With this delay it was then planned to complete this project in the spring of 2014. We were able to get this finished before the busy summer boating season.

At the 2014 Town Meeting two Articles were passed that gave the Nelson Highway Department summer projects. The Town had an Article passed to spend \$25,000 on road stabilization fabric and gravel. With these funds, we were able to cover 2,500 feet of roads known for giving us the worst mud issues. We hope to see a significant improvement this spring in these areas. We also saw an Article passed to pave 1,500 feet of Murdough Hill Road. This road was in need of repairs. The last time it was paved was close to 20 years ago when the Route 9 Bypass was completed.

Once we were able to get all of the projects finished normal road maintenance were performed. This included grading of roads, cleaning of ditches, upkeep of culverts, roadside mowing, and the removal of any hazardous trees. The usual hauling and compiling of winter sand was done during the fall as part of winter preparation.

I would personally like to thank the Selectmen, members of the Road Equipment Committee, and the other Town Officials for all of their help and support. As always, thanks go out to Nick Barrett for his many hours of hard work this past year.

The Highway Department does appreciate updates on road conditions in your area. The Road Crew will respond to any problems in a timely manner.

Respectfully submitted by Mike Tarr, Nelson Road Agent

# Planning Board Annual Report 2014

The Planning Board in 2014, as in previous years, continued its review of current town zoning regulations, responding, for example to an inquiry concerning the building of fences on property lines. The Board met once with the Conservation Commission to explore possible common interests.

The Board dealt with two cases of boundary line adjustments.

The Board continues to seek new members and alternates. There are several vacancies this year.

Respectfully submitted, Eric Sandberg - Chair, Nelson Planning Board

## REPORT OF THE ZONING BOARD OF AJUSTMENT 2014

2014 was relatively uneventful for the Zoning board. There were two variances brought before the Board this year and both were approved.

The Board was fully staffed this year with 5 members and an alternate, who were all eager to take on their responsibilities with handbooks and materials provided to them by the clerk. However, there are three, three year terms, expiring this year and as always the ZBA encourages anyone who has an interest to consider becoming a member or an alternate.

The Board did begin a series of meetings to discuss the clarification of some of the definitions used in decision making, in hopes of making them easier for future applicants as well as members of the Board to understand. These meetings will continue.

The Board, when scheduled to meet, conducts their meetings the first Monday of the Month at 7 PM in the Town Office meeting room and are open for all to attend.

Respectfully submitted, John Cucchi, Chair

### Nelson Agricultural Commission Annual Report 2014

We continue to work to raise awareness of and for local food production and consumption. In January, we hosted the movie "Food Inc.", about the industrialization of America's food supply. Thanks to Priscilla Williams for the use of her TV room!

May 10<sup>th</sup> saw the first Nelson-Harrisville Greenhouse tour. Seven greenhouses were on display, and 30 visitors attended. Lots of good things growing in our area!

This summer, we once again collaborated with the Nelson Church to provide a community Farm Table.

On August 9<sup>th</sup>, we visited the Library to introduce the Nelson Seed Catalog. Commission member Val Van Meier delivered an informative and exciting presentation. Members Val and Jacqueline Roland created an attractive exhibit—check it out, and plant some seeds!

On November 18<sup>th</sup>, the Commission visited Angel Wing Farm in Sullivan to tour their bio-char process and see the results on their farm. Amazing to see what commitment to sustainability, plus ingenuity, can accomplish in our backyard!

Also in November the Commission joined with members of the Select Board and the Conservation Commission to initiate a dialogue on the future of agricultural lands in Nelson.

Going forward, our priorities are to develop a better communication network amongst local producers and to review Nelson's zoning policies and Master Plan with an eye towards sustaining and improving local agriculture. And, we continue to investigate options for a Farmers' Market in Nelson.

Respectfully submitted, David Voymas, chair

# Olivia Rodham Memorial Library Trustee's Report 2014

The Library had another successful year in 2014. We came in slightly under budget in spite of increased expenses related to our Town website <a href="www.townofnelson.com">www.townofnelson.com</a>. Our longstanding webmaster, Gordon Peery, gave up his website management activities and we faced the challenge of finding a new webmaster. Professional estimates were too high for our thrifty librarian and we eventually decided to manage the website within the existing Library staff, with the help of volunteer David Pyles. The Trustees approved an additional 50 hours of the librarian's time to move the website from Gordon's server to a new server and to manage the new website, including the time necessary to master the skills required for this new responsibility. Thank you to Gordon for his years of outstanding website management and thank you to Kris Finnegan for stepping up to this new challenge and to David Pyles for his many volunteer hours.

The Library is requesting additional funding from the Town this year in the amount of \$1,801 as two of our outside funding sources have declined. In the last few years we have received grants of \$10,000 to cover some expenses, especially relating to automation and upgrading of library equipment and collection. These grants are not available this year. Also, we used to receive substantial interest income from the Library's Memorial Funds, often as much as \$4,000 a year. However, with interest rates remaining low, our income from the Memorial Funds in 2014 was only \$174.68. In addition, our expenses continue to inch up as utilization of the Library grows and as the number of Library programs increase. We hope the Town will continue to support the Library as it serves our community.

The Trustees thank the Town and all the donors who made completion of the lower level of the Library possible. The new Meeting Room and Library storage space are getting lots of use and meet our requirements very well. The Library itself donated \$7,603.16 to the project: \$5,000 from the Carol Heath Memorial Fund (donated to the Library by the Wiechert family) and \$2,603.16 from the Library Basement Fund (collected for this specific purpose at Library Summer Forums.)

We are pleased that our Library was selected by the Law Libraries of New England as the only Library in New Hampshire to receive the mini collection of legal books "Public Libraries Toolkit".

Congratulations and Thank You to Kris Finnegan on her 25 Years of Service to the Library!

Respectfully Submitted Linda Cates, Chair Olivia Rodham Memorial Library

# Emergency Management Report 2014

The major effort this past year in support of Emergency Management focused on obtaining equipment needed to support the Department's ability to respond in the event of a crisis.

We have obtained a matching grant from Homeland Security to purchase equipment to produce picture Identifications for our First responders and all Town officials. The equipment has been installed in the safety building.

We were also able to obtain new equipment for monitoring radioactive substances from FEMA.

We have been approved for a matching grant to update our 2009 Local Operation Emergency Plan and will be coordinating with Southwest Region Planning Commission to accomplish this update.

As we move forward we will focus on obtaining day to day items such as safety vests and identification items for volunteers responding to emergencies in our Town.

### **VOLUNTEERS WELCOME!**

Respectfully Submitted
Dennis Dellagreca
Emergency Management Director

# Fire Department Report 2014

A huge thank you to the men and women of the Nelson Fire and Rescue Department for all the time they sacrifice not only going to rescue calls, but participating in training, work details and volunteering at community events. They give up family time, personal time and time away from their paying jobs. Thanks also to the families of these volunteers for their support and understanding.

	2014 Members	
Bob Bishop	Owen Iselin	Richard Pratt
Paul Bosman	Alex Lange	Carol Raynor
Matthew Ferrari	Maureen Lord	Andrew Scanlon
Bud French	Rick Lothrop	Jason Walter
Marty French	Benjamin Mullett	Jeff Walter
Dean Huber	Justin Piper	Andrew Ward

- The Nelson Fire and rescue department responded to 71 calls in 2014.
- Regular monthly member meetings were held.
- Firefighter 1 Graduation ceremony was conducted in May at the Nelson Congregational Church for personnel from all towns that participated in the Firefighter 1 training course that the Nelson Fire Department hosted in the winter and spring of 2014. This course required 240 hours of evening and weekend time from each participant, including a weekend at the NH fire training academy in Concord.
- Five members did a defensive driver training course conducted by the town's insurance company.
- Alex Lange is in training to be certified as an EMTI (Emergency Medical Technician Intermediate). Also, Carol Raynor completed her EMT (Emergency Medical Technician) certification and Ben Mullett completed his EMR (Emergency Medical Responder) certification.
- Nelson rescue personnel participated in a cold weather rescue and other search and rescue trainings requiring locating person a mile out in the woods. The patient had to be back boarded and transported out.
- AED/CPR course was conducted at the Nelson School for the public. Thanks to everyone who took this course for your willingness to help a neighbor.
- Joint rescue training sessions were held monthly with Harrisville, Sullivan, Stoddard and Nelson. These trainings receive CEC credit that is required for Nelson Rescue to maintain our license to operate our rescue.
- Joint town training for firefighters is also planned. Joint training ensures that all towns know each other and work together efficiently when called to a multiple response scene.
- Rescue personnel set up a station at old home day to perform vital sign checks for all citizens and to support the races of the day.
- We were able to purchase a used Extractor needed to sanitize rescue gear. This saved the town \$3000.
- Engine 1 did not pass its annual pump test. In order to keep this engine in service, we
  had to divert \$13,000 from the fire department budget to rebuild the pump for this
  vehicle.

Special mention for 2014, for the new custom rescue truck received by the Town of Nelson. This vehicle is made possible entirely by a very generous donation to the Nelson Fire and Rescue Department from Jack Bradshaw in memory of his late wife Bess Bradshaw.

### Proposed Special Articles for 2015:

Our current Tanker truck is 29 years old. It fails its pump test and will not pass vehicle inspection this year due to rust. The quote to repair this Tanker vehicle is \$100,000, but the current value of the vehicle is only \$10,000. Having a Tanker is critical to fire fighting in a rural town. A Tanker is paired with an Engine (Pumper Truck) to set up water supply at a fire scene. Without a Tanker there is insufficient water supply to suppress even a small

structure fire. Each hose pumps 250 gallons of water per minute. The Engine Truck is out of water in 4 minutes. The Tanker provides backup water to the Engine.

We have researched new Tanker vehicles. A new standard size Tanker costs \$270,000. Unfortunately, a standard size Tanker does not fit in the Granite Lake station. None of the trucks currently housed in the Center Station fit in the Granite Lake Station, so swapping vehicles

Station: None of the tracks currently housed in the Center Station fit in the Granite Lake Station, so swapping vehicles around doesn't help. A custom size Tanker with smaller frame, tires, and cab would cost \$385,000. Trucks have

grown in size since the Granite Lake Station was originally constructed in the 1940's. We have been working with Ingram Construction, who did the Town Buildings renovation this past summer, to determine the cost of replacing the Granite Lake Station. There are many new code issues that need to be addressed in a replacement fire station. For example, sprinkler systems are now mandatory; that feature alone is \$100,000. A clean, simple 40 foot x 50 foot three bay fire station is pricing out at \$500,000. We would like to avoid the extra expense of buying custom sized trucks.

Our department has been steadily growing but we welcome new members. New members bring new energy and strengthen our team. It might seem like a huge commitment, but we also have a lot of fun and it is very gratifying to help the community. Please contact any member for details.

Thanks for continued support

Bud French Nelson Fire Chief

# Prevent Forest Fires

# It is unlawful to...

- Burn brush or other materials when the ground is not covered by snow without a written fire permit from the Forest Fire Warden.
- Burn in an outdoor fireplace without a fire permit.
- Kindle certain categories of fires between 9:00 A.M. and 5:00 P.M. except when raining. When raining, a fire permit is still required. Please check with your local Forest Fire Warden to determine allowable burning times.
- Kindle a fire for any purpose on land of another without written
  permission of the owner or owner's agent and a written permit from the
  Forest Fire Warden of the town, except in authorized recreational areas
  where suitable fireplaces are approved by the Forest Fire Warden.
- Fail to totally extinguish any fire before leaving it.
- Discard matches, cigarettes or other burning substances from vehicles or otherwise.
- Throw any flammable waste material on, near, or adjacent to a public highway or private way in or near woodlands.
- Fail to report a forest or brush fire or fail to respond to a Forest Fire Warden's call for assistance.

Violations of the law (RSA 227-L) are subject to the following penalties:

Violation - May be fined up to \$1,000

**Misdemeanor** - May be fined up to \$2,000 or imprisoned up to one year or both.

Report all Fires to your Local Fire Department

### Your Efforts to Help Protect our Woodlands are Appreciated

# A Quick Guide To Open Burning

All burning must be conducted in accordance with state laws, state rules, local ordinances and under a "Permit To Kindle Fire" issued by the local Fire Warden or authorized agent.

### Materials Not Acceptable for Burning:

- Construction & demolition debris
- Tires
- Household trash
- Packaging materials
- Plastics
- Coated or laminated paper
- Coated or treated cardboard
- Oily rags
- Animal, vegetable and kitchen waste
- Used Oil, gasoline and hazardous waste
- Brush greater than 5 inches in diameter
- Any wood that has been painted/stained, glued, or treated in any way

- Campfire wood
- Charcoal
- Clean pallets

### If generated on-site

- Brush (less than 5 inches in diameter)
- Clean lumber scraps (private single family residences only)

Contact the New Hampshire Department of Environmental Services for questions about the state open burning laws and rules. For local fire permits and local open burning restrictions contact your local Fire Warden or authorized agent.

# Joint Loss Management Committee Report 2014

The focus in 2014 has been on training and awareness for all Town officials, employees, and volunteers.

Ron O'Keefe, risk manager for the Town's liability insurance carrier, conducted multiple presentations on workplace bullying and harassment.

As part of the Town's policy and procedures, all officials, employees, and volunteers are required to be familiar with this issue and to acknowledge receipt of the guidelines.

The construction zone during the Town Hall renovation was also a focus this year. At the May meeting the committee discussed the potential hazards as public interest drew visits to the work site. The committee agreed that this should be monitored throughout the project.

Each year a safety check of all Town buildings and work areas is conducted by the committee with the assistance of Ron O'Keefe. This safety check helps to maintain the Town's compliance with the NH Department of Labor requirements of the Joint Loss Management Committee.

Please contact any member of the committee if you have a safety concern that should be addressed.

# Granite Lake Village District Annual Meeting Report State of New Hampshire 2014

To the inhabitants of the Granite Lake Village District in the towns of Nelson and Stoddard, NH located in Cheshire County and those qualified to vote in Village District affairs: you are hereby notified that the annual meeting of the Granite Lake Village District will be held at the Chapel-by-the-Lake in Munsonville, NH on Saturday, April19 2014 at 9:00 A.M. to act on articles 1-5, including election of officers.

Article 1. To choose one commissioner for a term of three years and to see who the inhabitants of the District will elect for the offices of auditor, treasurer, moderator, clerk, each for a term of one year. Nomination for commissioner, Bob Woods; auditor, John Halter; treasurer, Barbara Ropiecki; clerk, Sally Ripley [motion was appropriately made & seconded - vote was affirmative]

Article 2. To see if the District will vote to raise and appropriate the sum of \$5000. to add to the Capital Reserve Fund for dam maintenance/repair/replacement established Dec. 2008. Commissioners Recommended [Phil explained that the dam will need to be refaced in the next few years by going back to beginning of the footings - may cost \$30-50,000. Motion was appropriately moved and seconded. vote was affirmative ]

Article 3. To see if the District will vote to raise and appropriate the sum of \$4800.to defray Village District expenses. [ motion was made to amend the amount to \$3300. estimate came in much lower than anticipated. We will have the fence by the dam fixed, and photographed; we'll send the photos to Nelson with the request for them to change the way the road over the dam is plowed. Motion appropriately made & seconded to adopt the amendment - passed. Motion for article appropriately made & seconded -vote was affirmative.]

Article 3. To see if the District will vote to raise and appropriate the sum of \$1250 to pay for liability insurance for one year for the District. Barbara explained that a new company has taken over and the minimum premium is now \$1250. for one year with a limit to the District's liability. Motions was appropriately moved and seconded. vote was affirmative ]

Article 4. To see the if the District will vote to appropriate \$5000. to be placed in the Capital Reserve Fund for dam maintenance/repair/replacement established Dec.2008, with said funds to come from unassigned fund balance, Commissioners recommended.

Barbara and John explained that we are getting %1.5 interest for 5 year CD instead of the %.25 we were getting in checking account. Motion was appropriately moved and seconded. vote was affirmative ]

Article 5. To see if the District will vote to hold its next annual meeting April 17, 2015 at
9:00 A.M. at the Chapel-by-the-Lake in Munsonville, NH. [Motion was appropriately
made and seconded to correct date to April 18, 2015 - passed. Motion was
appropriately made and seconded to pass the articlevote was affirmative]
