AUDITOR'S CERTIFICATE

Roberts & Greene, PLLC

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen Town of Nelson Nelson, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Nelson, New Hampshire as of and for the year ended December 31, 2014, which collectively comprise the Town's basic financial statements as listed in the table of contents, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Nelson, New Hampshire as of December 31, 2014, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

TOWN OF NELSON INDEPENDENT AUDITOR'S REPORT

Other Matters

Required Supplementary Information

The Town of Nelson has not presented a management's discussion and analysis. Accounting principles generally Accepted in the United States of America have determined that the management's discussion and analysis is Necessary to supplement, but is not required to be part of, the basic financial statements.

Other Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Nelson's basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the accounting procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other additional statements or to the financial statements themselves, and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

TOWN MEETING MINUTES – MARCH 10, 2015 NELSON, NH

After this winter of historic snowfalls and freezing temperatures, we were greeted on the morning of Town Elections with a sunny and fair day. The polls opened at 11 a.m. and closed at 7 p.m. Our voter turn-out for this year was less than last year but still respectable at 181, more than 25% or our registered voters. There was one contested office for selectman and many write-ins for Cemetery Board, Planning Board and Road Equipment Committee.

The business portion of the meeting began at 7:00 p.m. with a full house in attendance. The moderator Richard Church briefly went over the organized polite manner in which town business is conducted at our annual town meeting. He also gave a brief description of the "pass over" procedure motion. He then went on discuss the feedback that he received about certain negative behaviors that occurred at last year's meeting and how he was asked to better monitor these and also the length of debates and conversations. A brief outline was then given about how the meeting tonight was going to be conducted. As a result of a caucus that reviewed the fire department warrants that if passed would incur a substantial amount of money, a group of concerned citizens was formed and met with the Fire Chief to see how this could be presented in an informative manner. Therefore, this group has arrived at a list of suggestions that they will present at the meeting. There are three bond issues that are included in this warrant. The state has decreed that we must deal with these issues at the beginning of the meeting. The vote in order to pass must receive 2/3 of the majority of votes and it must be a paper ballot. The polls on each bond issue must remain open for an hour before we count the ballots.

The moderator then asked John Bunce, a member of the caucus citizen study group and the Fire Chief, Bud French to speak about their recommendation based on their research work. The speakers were asked not to advocate for any particular plan nor there a debate. Questions could only be asked about procedural matters. John outlined the group's recommendations.

1. To not build a new or alter the current Munsonville Fire Station at this time but to purchase a used mini pumper tanker that would fit into the current station. This will provide a fast response time for the Granite Lake area. 2. To not purchase a customized full size tanker that would fit in the Munsonville station. Customizing it would add an additional \$100,000 to the cost of the truck, we do recommend spending up to \$25,000 to our present tanker housed at the Munsonville Station to pass highway inspection. 3. To have a long range plan to sell our 2nd pumper, this will allow the purchase of a new tanker in two or three years to be housed in the central station. Therefore, they recommended the option is to "pass over" article 2 and article 4 that are bond issues and then move on to articles that we can discuss and vote on. He asked the group to review the handouts that were passed out.

Bud then spoke about his mission with this committee which was to inform and educate its members. He took the group on tours of both stations. He provided accurate costs from contractors, so that the group would have budgetary numbers to work with for both of these projects. He stressed that these articles were brought up so that the town could review them, vote on them and come up with an agreed upon compromise.

The meeting then continued with a review of the articles:

ARTICLES OF A GENERAL NATURE Article 01: To choose necessary Town Officers for the year ensuing.

Selectman – 3 years, David Upton Trustee of the Library – 2 years, Stacia Tolman Trustee of Trust Funds – 3 years, Thomas Newcombe Cemetery Board – 3 years, Candyce Fulford Marty French Emergency Management Officer – 1 year, Dennis Dellagreca Planning Board Member – 3 years, Jeff Taylor Duane Schillemat Road Equipment Committee – 3 years, Barry Tolman Zoning Board of Adjustment – 3 years, Dennis Dellagreca John Cucchi Treasurer – 1 year, John Shea

Article 02: Build a new Fire Station

To see if the town will vote to raise and appropriate the sum of \$495,000 for the construction of a new Granite Lake Fire Station that would meet current codes including a sprinkler system and of sufficient height to accommodate the increased height of newer Fire trucks, and to authorize the issuance of not more than \$495,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; This article is non-lapsing through 2016. A 2/3 ballot vote is required to pass this article. The Selectmen do not recommend this article 2-1.

The article was moved and seconded. Discussion ensued: A question was asked by Betsey Street to clarify the positions of the committee and the Fire Department. Bud French responded with an historical perspective. A comment was made in praise of how the committee and FD came to their conclusions. Procedural questions were asked by Elizabeth Williams, Michael Cornog and Ed Scott. Cornog made the motion to "pass over" this article, duly seconded. People were then allowed to speak for or against this motion. John Bunce stated that his reasons for "passing over" were that it was the right thing to do for long-term planning. No one spoke against the motion.

"passed over" by a voice vote

Article 03: Purchase of Land for Sand and Gravel Pit and acquiring necessary permits. To see if the town will vote to raise and appropriate the sum of \$250,000 for the purchase of a particular gravel pit comprised of 3 parcels located on Route 10 in Gilsum, NH now or formerly owned by Lane Construction Corp. and identified by the Town of Gilsum as Map 000409-000038-000000, Map 000409-000015-000100, and Map 000409-000014-000000, and to cover the costs of all permitting for the excavation of sand and gravel from the site, and to authorize the issuance of not more than \$240,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and \$10,000 to be raised by taxes. It being understood that no purchase shall be made until such time as a feasibility study is completed and demonstrates that said purchase will create a positive return on investment for the Town of Nelson. This article is non-lapsing through 2016. A 2/3 ballot vote required to pass this article. The Selectmen recommend this article 3-0

David Upton moved that the article be accepted as read, duly seconded by Bob Lenox. Maury Collins spoke to this article. Mike Tarr and the Road Committee went over and looked at this property. A backhoe was brought over and 4 test holes were dug 16 to 18 feet deep at 4 different locations, only sand and gravel were found all the way down. They met with the Gilsum Planning Board and were fortunate that all the permits were there and that the land could be purchased and excavated. Currently Mike Tarr has to drive either to Swanzey or Hancock to acquire gravel for our needs; we have no resource in town. The plan is to buy this and finance it over 10 years; it would be a cost savings of 50% to operate every year. There were many questions concerned with the supply, materials, operation, feasibility study and budget from the floor that Mike Tarr addressed. The Gilsum property could possibly supply our future need for gravel for 50 years barring any serious flood. A long discussion then followed. Security, insurance, scarcity and cost/tax issues were addressed. David Upton stated that a property tax does have to be paid by the town of Nelson on the Gilsum property's assessed value not on its mineral resource. It's estimated to be about \$2800/year.

Motion carries

Article 04: Purchase of new Firefighting Tanker Truck

To see if the town will vote to raise and appropriate the sum of \$375,000 for the purchase and equipping of a new Firefighting Tanker Truck, and to authorize the issuance of not more than \$300,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and \$75,000 to come from the Fire Equipment capital Reserve fund. The fund balance as of 12/31/2014 was approximately \$89,405. A 2/3 ballot vote is required to pass this article. This article is non-lapsing through 2016. *If this article is adopted, articles 15 and 16 no longer apply and may be passed over. The Selectmen recommend this article 2-1

Lisa Sieverts made a motion to "pass over" this article. Duly seconded. Discussion in favor: Lisa stated that she was in agreement with the Citizen Committee to pass this article over and that it would also save time. Bud French stated that the reason for this article is bring up the topic of replacing the tanker and to have the town vote on it. No further discussion.

"passed over" by a voice vote

David Voymas made a motion to skip over Articles 5 to 13 and to proceed to Articles 14 - 22. Duly seconded. Motion was passed.

Article 14: Operating Budget for the Fire Department

To see if the town will vote to raise and appropriate the sum of \$92,000 for the proper expenses of the Fire Department and Rescue Squad. The Selectmen recommend this appropriation 3-0.

Moved that the article be accepted as read. Duly seconded. Discussion ensued. David Birchenough questioned the Fire Departments past budget expenses as it related to the current budget. Michael Cornog asked for an explanation of why the increases. Bud French explained has the combining of Mutual Aid and ambulance expenses caused an increase and also the purchase of protection equipment for personnel and additional training. It was asked that the budget be gone over in detail. There were further comments made in favor of this article by Jason Walter, Tricia Jones, Darryl Schillemat and Barbara Roland. Daniel Prawdzic asked a question about the Fire Departments payroll.

motion carries

Article 15: Purchase a used Firefighting Tanker Truck

To see if the town will vote to raise and appropriate the sum of \$150,000 for the purchase and equipping of a used Firefighting Tanker truck, and authorize the withdrawal of \$75,000 from the Fire Equipment Capital Reserve created for that purpose. The balance of \$75,000 is to come from general taxation. The Fire Equipment Capital Reserve fund balance as of 12/31/2014 was approximately \$89,405. *If article 4 passes this article no longer applies and may be passed over. The Selectmen recommend this appropriation 3-0.

Bud French made a motion to replace article 15 with the following: *To see if the town will vote to raise and appropriate the sum of \$99,000 for the purchase and equipping of a used Firefighting Pumper/Tanker truck, and authorize the withdrawal of \$60,000 from the Fire Equipment Capital Reserve created for that purpose. The balance of #39,000 is to come from general taxation. The Fire Equipment Capital Reserve fund balance as of 12/31/2014 was approximately \$89,405. *if article 4 passes this article no longer applies and may be passed over. The Selectmen recommend this appropriation 3-0.* Duly seconded. Bud began the discussion in favor of the change to this article. He stated that the Committee of Citizens approved this change based on their research. Ed Scott asked a question about the change and the Pumper/Tanker truck. Betsey Street and Tricia Jones asked procedural questions. Bud stated that this small truck would keep water on that side of town. Lisa Sieverts asked if anyone was in favor of Article 15. John Bunce backed Bud's motion; it's a trade-off and a perfect solution. Max Nunnemaker asked that in the future we have more clarification about how the Nelson Fire Department works with the Keene Fire Department. He understands that the rule of the Nelson FD is not to put out a major house fire but to provide a speedy response to minor fires. Max's point is to give the town more information so that they can better evaluate this purchase.

Article was defeated by a show of hands

Article 16: To refurbish the 1986 Firefighting tanker now in service

To see if the town will vote to raise and appropriate the sum of \$99,000 to refurbish the 1986 Firefighting tanker now in service with the Nelson Fire Department. *If article 4 or 15 passes this article no longer applies and may be passed over. The Selectmen do not recommend this appropriation 2-1. Bud French made the motion to change the \$99k to \$25K. Duly seconded by Kelly French. Bud spoke to the reasons for his asking for his request for a decrease, which would be to get the tanker ready for inspection. Daryl Schillemat asked a question about replacing the tanker. Heidi Tompkins asked about the pump test. This firefighting tanker can also be used as a pumper and a pumper. Tom Buttrick asked for clarification on replacing or refurbishing the tanker. This article is to refurbish the tanker, more monies will be asked for in the future. This is only a stop gap, to give us another year to rethink this issue.

Motion carries

Bob Lenox then asked for a reconsideration of article 15 in order to make an amendment. Duly seconded. Motion defeated

Article 17: Funding for fighting forest fires with anticipated reimbursement

To see if the town will vote to raise and appropriate the sum of \$500 for the purpose of fighting forest fires. This sum to come as reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration approves this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this appropriation 3-0.

Motion was made and duly seconded.

Motion carries

Article 18: Add funds to Fire Equipment Capital Reserve Fund

To see if the town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Equipment Capital Reserve Fund previously established for the purpose of Fire Apparatus purchases for the Fire Department. No withdrawals may be made from this Fund except by vote of the Town and upon recommendation of the Fire Chief. The Fire Equipment Capital Reserve Fund balance as of 12/31/2014 was approximately \$89,405. The Selectmen recommend this appropriation 3-0.

Bud French made a motion to increase the \$25K to \$35K. Duly seconded.

Motion carries

Article 19: Purchase and installation of 2 Emergency Pull Stations

To see if the town will vote to raise and appropriate the sum of \$1,500 for the purchase and installation of 2 Emergency Pull Stations. One to be located at the Granite Lake Fire Station and one to be located at the Nelson Center Fire Station. The Selectmen recommend this appropriation 3-0.

Motion was made to "pass over" and duly seconded.

Passed over by the majority

Article 20: Purchase of used, rebuilt and recertified, 12 lead EKG machine

To see if the town will vote to raise and appropriate the sum of \$10,000 for the purchase of a used, rebuilt and recertified, 12 lead EKG machine to be put into service on the Rescue Truck. The Selectmen recommend this appropriation 3-0.

Motion was made to "pass over".

Passed over by the majority

Article 21: Purchase and installation of 3 dry hydrants (2 new & 1 replacement) To see if the town will vote to raise and appropriate the sum of \$7,500 for the purchase and installation of 3 Dry Hydrants (2 new and 1 replacement). The Selectmen recommend this appropriation 3-0. Accepted as read and duly seconded. Explanation of a Dry Hydrant was given at the request of Ed Schillemat. The \$7,500 is for installation.

Passed by the majority

Article 22: Purchase of Forest Firefighting equipment (Matching grant approved) To see if the town will vote to raise and appropriate the sum of \$3,113 for the purchase of Forest Firefighting equipment. It being understood that this purchase qualifies for and was approved for a 50/50 match grant through the Volunteer Fire Assistance Program. Of the total expenditure \$1,556 to be reimbursed through funding from the United States Forest Services for the 2015 VFA Grant Program.

The Selectmen recommend this appropriation 3-0.

Moved and duly seconded. Grant was written by Rick Lothrop

Motion was passed unanimously

Note to reader: Articles 14 to 22 were visited prior to Article 5

Article 5: To defray the Town charges for the year ensuing

To see if the town will vote to raise and appropriate the sum of \$380,223 for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. The Selectmen recommend this appropriation 3-0.

David Upton made a motion to move the article as read, duly seconded. David Upton spoke in favor of this article. This proposed budget is based on our operating budget of 2014 which was a default budget. Various procedures were put into place as a result. Our operating budget for 2015 provides funds for all boards and commissions listed on page 26. Upton then outlined his proposed plan for the budget. All of these efforts are needed to meet our financial responsibilities and preserve the maintenance of our town buildings and to prepare for costs that we anticipate to occur in 2015. Discussion ensued. Mike Blaudschun moved to amend the article to read \$316, 048. Duly seconded. Blaudschun gave a brief explanation of his reasons for the decrease. Lisa Sieverts spoke against this amendment because of deferred building maintenance costs. General tax question was asked by Heidi Tompkins which was answered by David Upton. Nancy Buschbaum spoke against this amendment because of the need to be prepared for expected legal fees. David Birchenough spoke in favor of the amendment. Mike Blaudschun spoke to the costs that would now be incurred by the purchase of a gravel pit. Heidi Tompkins spoke in regards to utilizing volunteers to maintain our buildings.

Article 06: Funding for appraisal and feasibility study of proposed purchase of Gravel Pit To see if the town will vote to raise and appropriate the sum of \$7,500 for the purpose of funding a professional appraisal, including soil study of a particular gravel pit comprised of 3 parcels located on Route 10 in Gilsum, NH, now or formerly owned by Lane Construction Corp. and identified by the Town of Gilsum as Map 000409-000038-000000, Map 000409-000015-000100, and Map 000409-000014-000000, and to defray any other costs associated with the study of the feasibility of purchasing the property. The Selectmen recommend this appropriation 3-0.

Moved as read and duly seconded. Maury Collins spoke for this article. John Bunce spoke against. Linda Cates asked a question about the feasibility study as it related to the study mentioned in Article 3. David Upton responded by pointing out that this feasibility study is a professional study and that the Selectboard would be remiss if they didn't utilize this service. Ed Scott asked for a further definition of what an appraisal study would include. Upton responded.

Article 07: Support of Town Library

To see if the town will vote to raise and appropriate the sum of \$34,040 for the support of the Town library, \$25,106 to be raised by taxes and \$8,934 to come from Library Memorial Funds, gifts, grants, and other sources. The Selectmen recommend this appropriation 3-0.

Move that this article be accepted as read. Duly seconded

Article 08: Create Emergency Expendable Trust Fund naming Selectmen as agents to expend. To see if the town will vote to establish an Emergency Expendable Trust Fund per RSA 31:19-a, for the purpose of funding urgent needs resulting from unforeseen situations, emergencies, disasters, or catastrophic events effecting the Town, its property or the wellbeing of its residents and not sufficiently provided for in the general budget. Further, to raise and appropriate \$5,000 to put in the fund, with this amount to come from taxes; further to name the Selectmen as agents to expend from said fund. The Selectmen recommend this article 3-0.

Moved to be accepted as read and duly seconded. Questions were asked by Barbara Roland, Ed Scott, and Kathy Schillemat. Upton responded that these funds were for the unforeseen. Discussion ensued with Mike Blaudschun and John Bunce commenting that this article was defeated previously. David Birchenough asked why these funds were being asked for if the need has never arisen before. Upton responded that this was recommended by the DRA, that towns should have such emergency funds.

Article was defeated by a majority

Article 09: Purchase and installation of Utility Shed

To see if the town will vote to raise and appropriate the sum of \$3,995 for the purchase and installation of a new utility shed to be used for the storage of Town maintenance equipment, tools, and supplies used by the Sexton. The Selectmen recommend this appropriation 3-0.

Article be accepted as read, and duly seconded. Maury Collins spoke to the need for this article, followed by a few questions.

Article was defeated by a majority

Article 10: Funding of various social service agencies which provide assistance to Nelson residents To see if the town will vote to raise and appropriate the sum of \$5,216 for support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: American Red Cross (\$328), The Community Kitchen Inc. (\$1,000),Home Health Care Service (\$550), Meals on Wheels (\$540), Monadnock Family Services (\$911), Southwestern Community Services (\$387), Monadnock Region Child Advocacy Center (1,000), and Casa for Children (\$500). In 2014, \$5,216 was paid in support of these social service agencies. The Selectmen recommend these appropriations 3-0. Moved to accept and seconded.

Article passed by a majority

Article 11: Add funds to Milfoil Prevention and Treatment Expendable Trust Fund To see if the town will vote to raise and appropriate the sum of \$1,000 to be added to the Milfoil Prevention and Treatment Expendable Trust Fund previously established. The fund balance as of 12/31/2014 was approximately \$25,403. The Selectmen recommend this appropriation 3-0.

Kathy Schillemat moved that the town vote to increase the sum to \$5K as opposed to \$1K. Duly seconded. K Schillemat explained why she and other members of the conservation committee feel that it's important to fund this article at the higher level. \$4K of this fund would be used to support the Lake Host program and for prevention instead of treatment, the remaining \$1K would be used to begin a fund that would be used in case a milfoil infiltration does occur. Lengthy discussion followed. Bunce reminded the group about a fund that was started in 2006 for Milfoil, nothing about supporting lake hosts. He recently reviewed the account and saw that \$1K was disbursed to the Nubanusit Lake Association. He is against this article. Burt Wingerson responded in favor of this article but commented that funding does come from the Land Use Change Tax for the specific purpose to preserve and protect land and water. Hancock and Stoddard are also funding these programs. Tom Newcombe, David Birchenough and Judith Putzel spoke in favor of this article. Carol Newcombe commented on the Lake Hosts program and the benefits to the town.

Article 13: Add funds to Town Buildings Capital Reserve Fund To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Town Buildings Capital Reserve Fund previously established. No withdrawals may be made from the fund except by vote of the town. The Town Buildings Capital Reserve Fund balance on 12/31/2014 was approximately \$8,132. The Selectmen Recommend this appropriation 3-0.

Article be moved accepted as read. Duly seconded. Jeff Taylor made a motion to amend the motion. Duly seconded. The amendment would read: *To see if the Town will vote to appropriate any unexpended funds at the end of the fiscal year up to the sum of \$25,000 to be added to the Town buildings Capital Reserve Fund, etc. etc.* David Upton commented that he doubted if this amended motion would pass by the DRA. Rick Church confirmed this issue.

Article 29: Repair Bailey Brook Bridge on Old Stoddard Road

To see if the town will vote to raise and appropriate the sum of \$50,000 for the repair of the Bailey Brook Bridge on Old Stoddard Road. This bridge has been inspected and found to be structurally deficient by the NH DOT. The Selectmen recommend this appropriation 3-0. Moved to accept as read and duly seconded. Mike Tarr spoke in favor of this motion. Some discussion ensued.

Motion carries by a majority

Article 30: Add funds to Highway Equipment Capital Reserve Fund

To see if the town will vote to raise and appropriate the sum of \$25,000 to be added to the Road Equipment Capital Reserve Fund previously established. No withdrawals may be made from this fund except by vote of the Town upon recommendation of the Road Equipment Committee. The Road Equipment Capital Reserve Fund balance as of 12/31/2014 was approximately \$76,750. The Road Equipment Committee recommends this appropriation. The Selectmen recommend this appropriation 3-0.

Moved to accept as read and duly seconded. *Motion carries by a majority*

Article 31: Delete and rescind a provision in a previously passed article from 1961 Warrant To see if the Town will vote to rescind a provision contained in Article XIX of the Warrant passed at the 1961 Town meeting, which provides that 3 members of the Board of Cemetery Trustees "at all times shall be the Trustees of the Trust Funds as duly elected," so that in the future all members of the Board of Cemetery Trustees must be duly elected to the position of Cemetery Trustee for staggered three-year terms with vacancies filled by appointment of the Selectmen per RSA 289:6,I. The Selectmen recommend this article 3-0.

Moved to accept as read and duly seconded. Upton gave an explanation for this article. Tricia Jones remarked that this was a disclosure issue.

Motion carries by the majority

Article 32: Resolved-written notice to Governor regarding funding for education

Resolved that the State of New Hampshire provide a comprehensive, meaningful system of funding for State Education needs and to ask our governor and our state legislators to reform state funding for education with that reform to be directed to significant reduction of property taxes. The record of the vote approving this article shall be transmitted by written notice from the Select Board to the governor and state legislators informing them of the instruction from their constituents within 30 days of the vote. The Selectmen recommend this article 3-0.

Moved to accept as read and duly seconded. Upton and Birchenough spoke in favor of the motion. Bunce spoke against it.

Motion carries by a majority

Article 33: By Petition - Support for Nelson School Students to attend "Village 2015" To see if the town will vote to raise and appropriate the sum of \$1,950 for the Game of Village Inc., a non-profit 501(c) 3 organization, to support the expenses of Nelson resident school students in order to attend Village 2015 - a summer learning experience. All children who live in Nelson and are entering 5th-8th grades may attend. The Selectmen recommend this appropriation 3-0.

Moved to accept as read and duly seconded. Bob Lenox made a motion to change the wording. Duly seconded. Discussion ensued. Sandi MacKenzie spoke to this article and commented that the original wording of this article was recommended by the state. Upton spoke to this. Tom Buttrick spoke to adding the words of "needs passed". An amendment was made to return to the original wording under article 33 and duly seconded. Amendment passed.

2015 REPORT OF OLIVIA RODHAM MEMORIAL LIBRARY

The Olivia Rodham Library is a modern library where people discover, learn, and share new ideas and new knowledge. The "collection", which was once just books, now includes public lectures, conversations, online services, ebooks and audio books, and a dedicated Nelson web page. The core purpose of all of these collections is to learn. Library programs continue to be popular in the community. Starting in 2012 the library had 70 programs with 997 people attending and this year we have seen 132 programs with 1,652 participants. The Olivia Rodham Memorial Library continues to offer the traditional library services of books and magazines to borrow. Recently, we have added a large collection of DVDs, CDs and the opportunity to use a free downloadable audio book and ebook subscription. The library townofnelson.com website will continue highlighting many facets of our town. The highlight for the year was the dual purchase (half was purchased by Harrisville Public Library) of a telescope that can circulate to adult patrons.

Events at the library, organized by the library: events this year 132 with 1,652 participants:

Absolutely Magic program for children with 42 participants Saturday morning speakers 5 times with 106 participants Celebrate Nelson lower level book sale garnered more than 50 participants Meet the Candidates program had 96 participants Nelson book group met 9 times with 43 participants Coffee Hour was held 51 times with 821participants Game night met 3 times and had a total of 18 players Knitters met 26 times with 68 pairs of knitting needles Origami classes met 2 times with 14 participants Story time met 24 times with over 86 participants Summer Forums were presented 4 times and had a total of 267 attendees Summer Reading Programs met 5 times and totaled 32 participants

Use of the library by groups: There are many groups that use the library for regular meetings. There were more than 132 meetings by18 groups. The library meeting room is on the lower level and is used for meetings and events.

Agricultural Committee	Conservation Board	Nelson History Round Table
Trails Committee	Roads Scholar	Zoning Board
Game of Village	Friends of the Library	Library Trustee Meetings
Sesquicentennial Group	Monadnock Folklore Society green room	Nelson Sustainability Group
Quigley Art Project	Nelson School Auction	Library COOP

Contributions to the library in time, talent and material goods.

The library is thankful for the 203.5 hours that volunteers put in this year at the library. There were many other contributions and every one helps keep the Olivia Rodham Memorial the community library it is today.

Tom Buttrick (Statistics) and Dave Pyles (Web page) helped with the computer.

Mary Cornog volunteered for 2 hours weekly.

Tom Buttrick and occasionally Eric Sandberg picked up coffee hour donuts.

Ted Lenk pruned and took care of the blueberries and the apple tree.

Amy Whitney and Dawn Garrett-Larsen gave time as the story time readers.

Linda Singer taught origami classes.

Dr Spencer led us in *Mindful Mortality* lessons.

Anita Flanagan, Judith Taylor-Maule, Sara Sandberg, Betsy Church, Susan Hansel and Donna Kidd cleaned the library.

Anita Flanagan, Eric Sandberg, Sara Sandberg, Tyler Pelczarski, Betsey Church, and Jeff Taylor provided general library help.

Our monetary donors this year are The Friends of the Library, Marcia Sexton, Friends and family of Joan Gerbis, George and Frances Alderson in memory of Bob and Hallie Robinson, Ruth Lape Memorial Fund, John Bradshaw, Hardie Shepard Children's Book Fund, Mary Patek Special Fund, the Henry Melville Fuller Fund, the Suttenfield Fund for programs, and the EC and VC Taylor Gift. Many donations are made also of actual books, audio visual materials, and magazines. Al Stoops and Jan Perry donated subscriptions to magazines.

Library Trustees during 2015

Linda Cates (Chair), Laurie Smith (Treasurer), Kathleen Vetter (Secretary), Stacia Tolman, and Susan Kingsbury (Correspondence).

Summer Reading

The Nelson library summer reading program used the theme of **Every Hero Has a Story!** Kids were invited to join an experiential hero activity each week! This annual statewide program is sponsored by CHILIS (Children's Librarians of NH) A volunteer presented a weekly program: The Nelson Fire Department started off the summer with a firetruck and some safety ideas.

Historical Hero Celebration was enacted by Jacqueline Roland and Nature Man, Al Stoops and Kathy Schillemat with amphibians. The culminating event for the summer, with 43 people in attendance, was Andrew Pinard of **Absolutely Magic.** He was engaging and magical, a magician with short sleeves. The audience was enthralled and the children laughed a lot. This program was supported by a grant from the U.S. Institute of Museum and Library Services and donations from the Byrne foundation, CHILIS, Cogswell Benevolent Trust, the NH Library Association, and the Suttenfield Memorial Fund to the Nelson Library. We awarded Toadstool gift certificates (donated by the Friends of the Library) and ice cream certificates (donated by Twinkle Town) to readers. During this reading program 8 kids read 171 books.

Friends of the Library Annual Book Sale

The 2015 Old Home Day book sale proceeds were as follows: \$1,045.95 books, \$665.00 dues, \$17.00 book bags,Bringing the total to: \$1,727.95. The Book Sale and Friends memberships enable the Friends of the Olivia Rodham Library to donate \$1,000.00 for new books, pay for the summer reading certificates for the children, and provide money toward children's programming. Books are donated all year so that there is always a good selection for sale. The Friends also encourage everyone to become members of the Friends knowing that the money goes back to benefit the library. The Friends group organizes a group of people to clean the library once a year. The officers are as follows: President: Sara Sandberg,Treasurer: Betsey Church, Secretary: Martha Collins. Susan Hansel will stay on Friend's Board.

Adult programs and the Nelson Library Summer Forum for 2015

Adult Library Programs include a summer forum with guest speakers, weekly coffee hour, game night, knitting and origami classes, swap day, various other programs and the Monday morning monthly book group. This year's 2015 forum topics included diverse and educational titles :July 9 – Betsy Perry - "*Nelson's Bessie Hardy: Missionary to Armenia*", musical introduction by friends from the Apple Hill Center for Chamber Music,July 16 – Bee Tolman - *"Food Hub: Putting a Good Idea into Practice"*, musical introduction by members of the Tolman Family, July 23– Paul Klemperer - *"Traditional Music and Cultural Continuity"*, musical introduction by friends of Paul from Austin to Nelson, July 30 – Martha Craig - *"It's Just Like Shakespeare! Small Towns: Stratford and Nelson"*, musical introduction by pianist, Linda Singer. The trustees and the librarian work together on the Summer Forum. Questions about the library can be answered after the forum. Books may be checked out at this time, too. The library is also a place for many conversations, both serious and enjoyable, among the community members. This happens at official meetings and at coffee hour. This is the 11th year Nelson held the Summer Forums. They are free and open to the public.

Respectfully submitted,

Kristine Finnegan, Library Director 1 Nelson Common Rd. Nelson, NH 03457 603-847-3214

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

2015 RSA 198:4-b II School Fund Balance Retention Guidelines: Nelson

If a school district has adopted RSA 198:4-b II by a vote of the legislative body, the school district may retain year-end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5 percent of the current fiscal year's net assessment pursuant to RSA 198:5, for the purpose of having funds on hand to use as a revenue source for emergency expenditures and overexpenditures under RSA 32:11, or to be used as a revenue source to reduce the tax rate. This retained fund balance is not cumulative. The maximum allowed fund balance retention has been calculated as:

NELSON SCHOOL DISTRICT

DISTRICT MEETING

The Mission of Nelson School is to instill strength of spirit and ignite a love of learning.

Nelson School District Meeting, March 6, 2015

Moderator Richard Church called the meeting to order at the Nelson Town Hall on the 6th day of March, 2015, at 7:00 p.m. After a group of students sang a few patriotic songs and led the assembled citizens in the Pledge of Allegiance, Moderator Church noted that representatives from SAU 29 and acting principal Barbara Tremblay were in attendance at the meeting. He asked the body assembled for permission for those representatives and the principal to speak as they were not town residents. Permission was granted.

<u>ARTICLE 1</u>: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

The article was moved and seconded. Article 1 passed by voice vote.

<u>ARTICLE 2</u>: To see if the District will vote to raise and appropriate the sum of \$1,750,924 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

The article was moved and seconded. After some discussion, Article 2 passed by voice vote.

<u>ARTICLE 3</u>: To see if the District will vote to raise and appropriate up to \$275,000 from its unassigned fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2015, to be used to fund costs associated with an addition/renovation of the kitchen, multipurpose room, administrative space and bathrooms, and related costs, or to take any other action in relation thereto.

The article was moved and seconded. After some discussion, Article 3 passed by voice vote.

<u>ARTICLE 4</u>:To see if the District will vote to raise and appropriate up to \$20,000 from its unassigned fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2015, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2015 to fund this appropriation and the appropriation in Article 3 (Addition/Renovation), Article 3 will be funded first, with any additional surplus to be applied to this warrant article.

The article was moved and seconded. Article 4 passed by voice vote. ARTICLE 5: To see if the District will vote to raise and appropriate up to \$5,000 from its unassigned fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2015, to the Special Education/Middle and High School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education/ and or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2015 to fund this appropriation and the appropriation in Articles 3 and 4, then Articles 3 and 4 will be funded first, with any additional surplus to be applied to this warrant article.

The article was moved and seconded. Article 5 passed by voice vote.

ARTICLE 6:To transact any other business that may legally come before this meeting.

Kelly French, School Board Chair, expressed her appreciation for work of fellow board member, Jessica Walker, who is stepping down after one term. Joy Birdsey Smith, of the Nelson PTO, informed the meeting of upcoming events sponsored by the PTO. The meeting was adjourned at 8:15 pm.

DISTRICT REPORT

While many things have changed this past year, the amazing traditions and sense of family at the Nelson School have prevailed. We are constantly working on keeping traditions alive while adapting to the everchanging demands placed on the public educational system. A special thanks needs to go to Mrs. Barbara Tremblay who stepped in and provided leadership as the Interim Principal last year during a transitional period for the school. The passion and dedication of the entire staff is admirable. The rapid growth of our student enrollment has forced a very difficult decision to be made. For the 2016-2017 school year, the Nelson School will be a K-5 school. We will be sending our 6th grade students to the Keene Middle School next year while our community decides our future. Our facilities simply can't accommodate so many students. While this decision was surrounded with many emotions, we hope a strategic plan for our students' future can be crafted as we move forward. The collaboration between the towns of Nelson and Sullivan has been noteworthy during this process. Our school board members, Mrs. Kelly French, Mrs. Sarah Marean, and Mr. Rich Popovic have worked countless hours to support our school and their dedication and time is appreciated.

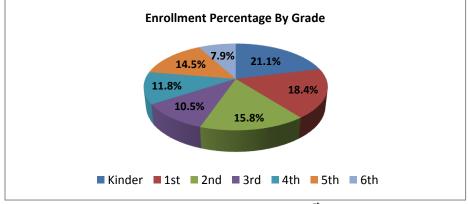

Mission Statement of the Nelson School

The Mission of Nelson Elementary School is to instill strength of spirit and ignite a love of learning. This has been adopted by the School Board and is what the entire staff hopes to do each and every day.

Enrollment

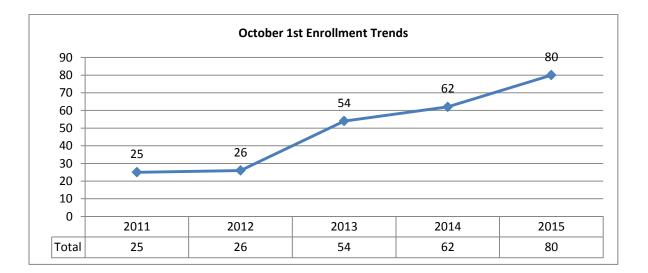

The current enrollment for Nelson School as of **January 21, 2016** is 76 students. Here are the current class sizes:

K-16	4-9
1-14	5-11
2-12	6-6

School Facility Maintenance

The school has undergone several changes this past year. The increased enrollment and need for a larger food prep space fueled the need for expansion. This past fall, the Multi-Purpose Room received the largest renovation in the school. The added kitchen brings us in compliance with all code requirements and has enabled us to provide our students with a quality food service program. Additionally, two over-sized handicapped accessible restrooms were created adjacent to our MPR. Previously, only two very small restrooms at the other end of the building serviced our entire student body. Our main office was renovated and has become much more efficient. Our 3rd and 4th grade classroom was enlarged by removing a small office which took up valuable space. Our Kindergarten room received a new carpet as well prior to the first day of school. I would like to thank the community volunteers who provided much needed help in not only preparing for the construction but also assisting the dedicated staff in putting the school back together. Special thanks also goes out to Mr. Ralph Castor who was added to our staff as a custodian and our office administrative assistant, Kim Keating who spent many hours making sure the school was ready for opening day. Janel Swanson coordinated the many details of the construction project and provided valuable leadership during the process. While the school looks great, we are certainly at full capacity given our growing number of students.

Community Support

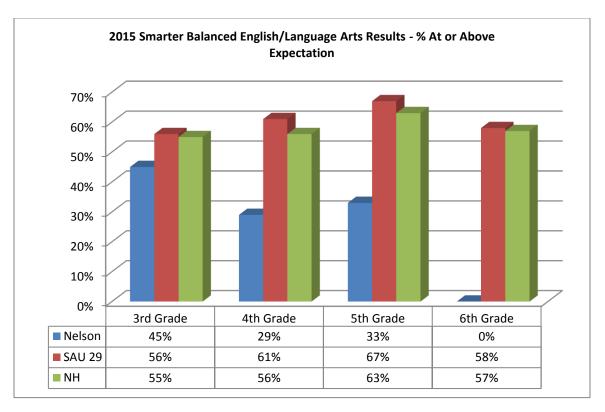

The community support that our school receives is exceptional. Our Parent Teacher Organization has been instrumental over the years in providing substantial financial support to our students. Their work is greatly appreciated. We would like to thank Mrs. Joy Birdsey who was the long time chair of the PTO for her many years of service and dedication to our school. We have had some great activities led by members of the community. Mrs. Benner's class has hosted activity afternoons in which parents have signed up to come in and help out with various activities and craft projects. Mr. Dale Carlisle and Mr. Ralph Castor provided Mrs. Whippie-Prior's class with wooden pumpkins to paint for a Halloween project and they cut out wooden Christmas trees and parts for every student to decorate and bring home for the holidays. A special thanks to them for many hours of preparation for both of those wonderful projects that were greatly appreciated by our students and staff. The Keene Lions Club has provided vision testing for our K-1 students and also provided financial support in obtaining eyewear for some of our students. The Cheshire Smiles organization has provided dental care as well as fluoride treatments to a number of our students already this school year. The Nelson Trails Committee led students on several hikes and provided educational presentations to our students this past fall. The Harris Center continues to provide unique learning opportunities to our students by bringing artifacts into our classrooms. This list is certainly not the only support our school has been the recipient of this year. The staff and students are extremely thankful for the continued support of our parents, community members, and friends.

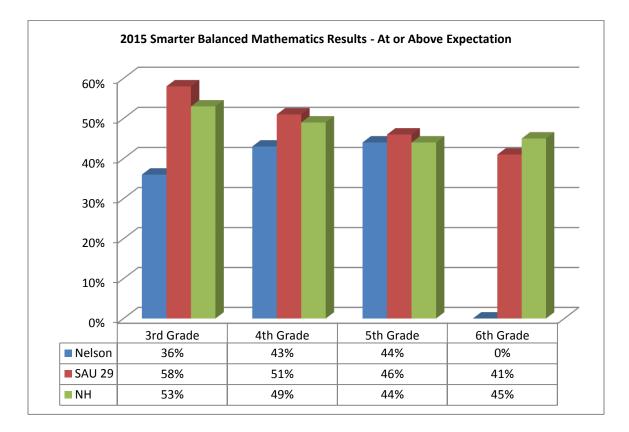

New Faculty

I am pleased to welcome several new staff to Nelson this school year. Mr. Chris Albertson has joined us as our Music teacher, our new Physical Education teacher is Mrs. Judy Dubriske, and Mr. Chris Nelson is handling our guidance needs. Mrs. Patti Morris began the year as our Title 1 support staff until we were able to bring Ms. Nicole Stevens on board to help us in that role for the rest of the year. Mr. Ralph Castor is handling our custodial needs. Ms. Erin Bowen and Mrs. Leslie Percival have joined us as tutors working primarily in Mrs. Benner's and Mrs. Triolo's classrooms respectively. Mrs. Cynthia Hutchins has recently been named our lead Food Service staff member. Mrs. Peri Fletcher was promoted to the afterschool director after helping in a supporting role last school year. We have also added Ms. Cat Seltzer and Ms. Nicole Stevens as supporting staff as well. Mr. Ron Upton has joined the staff as Principal.

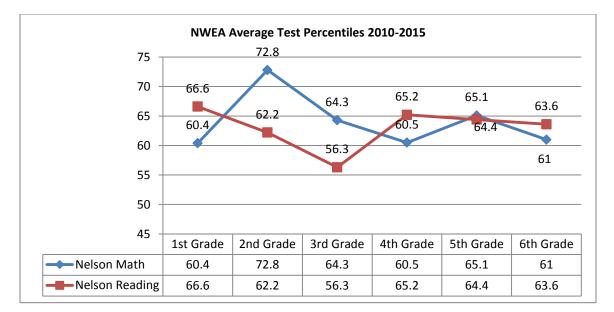

Academics

The new statewide <u>Smarter Balanced</u> test results were released this past fall, after grades 3-6 took the tests for the first time last spring. The following is a comparison of how Nelson School fared in comparison to SAU 29 as a whole as well as to the State of New Hampshire.

Below is the combined average scores for the NWEA Test administered annually in the fall and spring.

Specials

In addition to our regular classroom curriculum, we offer daily specials to all of our students. We offer Guidance, Spanish, Art, Physical Education, and Music one day each week for an hour block of time to each of our classes. Those teachers collaborate with our classroom teachers to ensure smooth transitions and themes or content that is appropriate to what is happening in their classrooms whenever possible.

Co-Curricular

Mrs. Whippie - Prior's class spent a week at the Ferry Beach (ME) Ecology Camp this past fall. This continues to be a valuable experience for our students. We would like to thank Mr. Don Carlisle who volunteered his time as a chaperone for the trip. Allison and Hunt Smith have donated many hours of their time in teaching our students how to Contra dance. Our afterschool program provides a safe and structured place for many of our students until 5:30 pm daily. Students are able to work on completing their school work, play games, have snacks, and participate in various activities. We are proud to be able to offer this self-sustaining program to our parents. We are fortunate again this year to offer musical instruction to our students one afternoon each week. Mrs. Karen Wood provides instrumental lessons while Ms. Louisa Engle instructs our strings program.

Nelson Students at Keene High School

In October, Keene High School Principal Jim Logan reported on how Nelson School students were doing at KHS. During school year 2014-2015 we had 24 students at KHS making up 1.7% of the overall enrollment at the high school and 54% of our high school students participated in a total of 21 student activities. Two Nelson School students enrolled in advanced placement courses. Our student attendance rate (96.6%) was equal to the KHS average (96.6%) and our students' grade point average (2.64) was slightly off the school average (2.83).

Below is a look at how our Nelson students performed on the SAT:

Technology

Nelson has improved our technology by adding 30 new Chromebooks that were purchased using grant money. We have also upgraded our main server which was obsolete by today's standards. We have another laptop cart which is shared in the upper two classrooms while the lower classrooms are primarily using the Chromebooks. Our new mandated standardized test (Smarter Balanced) requires the computer as does the NWEA test which we are currently using. We plan on upgrading or wireless router from residential models to a more commercial application system that can handle the increased volume required when entire classes are logged onto the internet at the same time. Each classroom is equipped with a Promethean Board which allows presentations to be made to the entire class by connecting a host of electronic devices. We plan to create a strategic Technology Plan for Nelson prior to the end of this school year so that we can attempt to project improvements that will be needed and then budget appropriately for those needs. After one year, the Smarter Balanced exam has been replaced. In early March, all juniors at Keene High School will now take the SAT exam. All 11th grade students will take the test on Wednesday morning, March 2, 2016 at Keene High School. The primary reasons for this change is to reduce the amount of time spent on statewide standardized testing and use an assessment that is more closely aligned to college readiness standards. The SAT will cover English language arts (reading, writing) and mathematics. The test will be free for all 11th graders, including the Essay portion that is considered optional under the State's guidelines. Keene High School will pay for all to complete the essay.

Competency-Based Grading

As several districts in New Hampshire move toward a performance assessment model (Transfer Tasks) through <u>PACE</u> and Competency Based Education, SAU 29 has also started to build a foundation for this move in future years. Beginning this school year, students in grades K-8 will take newly designed performance tasks in both ELA and Math. The goal is to move to a model of an assessment that focuses on the academic competencies students should master. As an SAU, our goal is to better measure student achievement in a more authentic and timely fashion. In time, the goal is for teachers to give the same assessments and meet with each other to compare results, better norm their assessment practices, determine future adaptations to the curriculum, and work on improving instruction together.

Every Student Succeeds Act (ESSA)

The Act was signed by President Obama on December 10, 2015 and replaces the No Child Left Behind (NCLB) Act. The Act authorizes an additional \$1.2 billion for schools nationwide and allows more flexibility with federal grants, particularly Title II. NH will form a task force to address ESSA which will go into effect with the start of the 2017-2018 school year.

Common Vision

SAU 29 released a common vision value survey in early January seeking input from various stakeholders including students, parents, staff members, school board members, and taxpayers. The purpose of the survey was to gather input into the key elements valued most in SAU 29 schools. The results of the survey will be used to develop a common vision for all SAU 29 school districts.

Communications

This past fall, SAU 29 launched SMS text messaging and mobile app initiatives as a means to broaden the scope of communications throughout SAU 29. Since the launch of the SMS text feature, nearly 2,500 users have subscribed. The mobile app allows members of the public who are not directly affiliated with SAU 29 schools to receive emergency information and news alerts pertaining to SAU 29 schools. To opt-in, subscribers need to text subscribe to **68453**. The SAU 29 mobile app may be downloaded for free from the App Store for Apple Devices or through Google Play for Android devices.

Beginning with the 2016-2017 school year the SAU will employ a part-time public information coordinator to assist with promoting all of our schools and districts. The coordinator will be responsible for the social media aspect of touting the happenings in all school buildings as well as communicating to stakeholders through print media.

Policy Alignment

A policy alignment study was recently completed for all district and SAU policies. The result is a better understanding of the areas where efforts need to be focused in order to update/revise policies as necessary as well as to adopt policies required by law. In accordance with Ed 303 Duties of School Board, under Ed 303.01 Substantive Duties, each school board shall adopt policies necessary and desirable to control and effectuate the operations of the district.

Selectmen's Report 2015

As we reflect back on our work during 2015, while dealing with our more or less routine day to day duties of preparing budgets and warrants, paying the bills, keeping our financial accounts, managing the work of our Highway, Police and Fire Departments, assisting residents with land use and taxation questions, planning for new projects, and concluding those already in progress, it becomes apparent that it's relatively easy to loose sight of our major accomplishments during 2015. While pondering these, other successes achieved during the four year tenure of your present Select Board come to mind. We will list some of these so that you may have some sense of the work that your Select Board has done.

We have assembled the following list of accomplishments, more or less in chronological order:

- Made the position of Administrative Assistant full time allowing us to employ an extremely competent and professional Administrative Assistant.
- Put in place a Financial Accounting System that meets all DRA and auditor expectations.
- Employed an extremely competent IT Contractor resulting in the flawless operation of our computer systems.
- Instituted a Purchase Approval Procedure for all Departments in order to properly oversee and control expenditures.
- Redesigned the Town Office and created an Employee Safety Manual to comply with NH Dept. of Labor regulations.
- Supported and encouraged the revitalization of our Rescue Department with training for staff members.
- Supported the proper outfitting and training of Fire Department personnel.
- Developed a Roadside Tree Management Procedure that involves property owners in the decision making process.
- Employed an extremely competent assessing firm thereby minimizing assessing complaints and abatement applications.
- Resolved numerous land use issues for properties on Granite Lake.
- Employed a professional auditing firm reporting positive results from their analysis of our accounts.
- Enhanced the terms of the Property Tax Exemption for the Elderly.
- Upgraded the surface of the Granite Lake Boat Ramp to improve safety and ease of use.
- Encouraged the Nelson Police and Fire and Rescue Departments to sponsor a Children's Halloween Party.

- Clarified the status of the Nelson Old Home Day Committee as being a private organization that must receive Select Board approval and sponsorship for the use of town property as well as for the activities conducted thereon. Any town funds expended by the Old Home Day Committee must be approved by the Nelson Select Board before they are spent.
- Completed Traffic Studies and established enforceable speed limits.
- Restored the structural integrity of the Town Hall and added Archives and Meeting Rooms in the library basement.
- Applied for and received numerous grants and successfully met all audit requirement for timeliness and documentation.
- Nominated the Nelson Town Hall for consideration to receive the 2015 NH Preservation Alliance Award. On April 27, 2015 notification arrived that the Nelson was chosen to receive a 2015 Preservation Merit Award for the revitalization of the Nelson Town Hall.
- Repaired and painted the exterior of all town buildings, Library, Town Hall, Brick Schoolhouse, Town Barn, Safety Building, Center Fire Station, Granite Lake Fire Station.
- Participated in the revision of both our Hazard Mitigation Plan and our Emergency Operations Plan to the satisfaction of FEMA and Homeland Security.
- Repaired the Bailey Brook Bridge to meet the requirements of the NH DOT Bridge Safety Department.
- Studied the financial feasibility of purchasing a gravel pit in Gilsum.
- Agreed to purchase the Gilsum gravel pit. Purchase closing should occur in early 2016.
- Supported the work of the Nelson Conservation Commission in the purchase of a Nelson Town Forest.
- Supported the formation of The Nelson Sustainability Group in order to advise our community on how best to prepare for the impact of Peak Oil and Climate Change on our Nelson economy.
- Implemented an energy conservation program with Eversource and supported the use of renewable energy technology, solar photovolraic panels on the roof of the library, in order to reduce the Town's carbon footprint, while saving money at the same time.

In a couple instances we were not as successful as we hoped we would be:

- Sought the assistance of State Senator Molly Kelly and Governor Maggie Hassan in an attempt to find ways to provide property tax relief for lower income taxpayers. We have discussed both an assessment exemption for lower income families and having the State pay for the support of education so that the education tax would be removed from our local property tax bill. Although we have made no progress so far, we will continue our efforts in this regard.
- Participated with 46 other New Hampshire towns in denying property tax abatements to Eversource (previously PSNH). We are disappointed that the Board of Tax and Land Appeals (BTLA) has ruled against the Town of Nelson and others in this tax abatement case. Even with a ruling in

their favor, Eversource has refused to accept this ruling and has appealed it to the NH Supreme Court. We await notification of whether or not the Supreme Court will hear this appeal.

For 2016 we hope that you will approve the installation of a solar photovoltaic system on the roof of our library. This project has been developed and supported by the Nelson Town Buildings Committee and the Nelson Select Board. Article 10 in our 2016 Town Warrant addresses this project.

The second project relates to fire code compliance updates for all town buildings. This work has been ordered by the State Fire Marshall and the Nelson Fire Chief. Funds required for work on the Town Offices, Town Hall and Library are included in our maintenance budget for town buildings in Article 5 in our 2016 Town Warrant. Funds required for code compliance updates for the Town Barn, Center Fire Station and the Safety Building are yet to be determined.

We are pleased with the work that we have completed to date and look forward to your support for continuing our successes in 2016.

Thank you.

Town Office Staff Report

2015

We began the year with the loss of our Financial Clerk due to retirement and relocation to Texas. We soon found that locating an experienced Municipal accountant to take her place would prove to be a challenge. Following several bumps along the way, Coppola + Company, a Municipal accounting firm, was hired. During the transition more work was passed on to the Administrative Assistant but we are hopeful that the pace will level off a bit following the first quarter of 2016.

Regulatory reporting requirements continue to increase for municipalities. (So much for the paperwork reduction Act!)

We appreciate the cooperation of all employees, vendors, and volunteers as we prepare to fill all documentation and reporting requirements requested by government agencies, auditors, and insurance companies.

You may recall that late in 2014 the State of New Hampshire Department of Revenue launched its new program and requirements for submitting Town Warrants, budgets, and revenues. The system continues to pose some frustrations as function quirks are discovered and dealt with. We remain hopeful that suggestions for improvement will be considered and implemented.

Thank you to all Boards, Commissions, and Committees for promptly sending your meeting minutes to be posted on the website. Your minutes are also printed in hard copy and submitted to the Town Clerk to be maintained by the Municipal Records Board. Your efforts are most appreciated.

A reminder, that 2016 is an assessment revaluation year. As this process gets underway you may receive notice of DRA visits, Assessor visits, or letters requesting detailed information regarding your current use property. If you need help with this or have questions please call the Town office to set up an appointment.

Edie Drinkwater, Administrative Assistant

Nelson Town Buildings Committee Report 2015

During 2015 your Town Buildings Committee studied the purchasing options and technical capabilities for solar photovoltaic systems to be used for providing electric energy to our various town buildings. We studied both large ground mounted solar panel arrays as well as smaller roof mounted alternatives. A review of our electric energy consumption records showed that our town buildings do not use enough electrical energy to justify the purchase of a large ground mounted system.

Ultimately we chose to request proposals from three vendors for the installation of a small array on the roof of our library. This array will produce between 2/3 and 3/4 of the electric energy consumed by our library and Town Hall. After reviewing the proposals, we have select South Pack Solar as the company whose products and services best meet our needs.

The cost of the system that we are proposing will be less than \$35,000. Rebates from the Public Utilities Commission are likely to reduce our out of pocket costs to around \$25,000. The carbon payback period for the system is estimated to be 3 to 4 years and after 10 years of use, the system will be providing electrical energy that is free.

Both our Buildings Committee and Sustainability Committee see this project as the beginning of our efforts to provide renewable energy for our town.

Town Clerk/Tax Collector's Report 2015

2015 was another good year in the office of the Town Clerk/Tax Collector. My deputy, Karen Castelli and I have developed a workable schedule and a routine that encourages good team work. Motor vehicle transactions continue to comprise the "bulk" of our time and efforts. It's an ever changing environment, the training that we receive from the Department of Motor Vehicles and the individual help from the "Hot Line" have benefitted us both, which in the end hopefully decreases the time our residents have to spend at our service window. Our motor vehicle transaction numbers reflect a slight increase over the prior fiscal year. New vehicle registrations in both "new" vehicles and "new/used" vehicles have remained about the same.

Our Vital statistics report shows that our birth rate is holding steady at 7 births for 2014 and 2015. Last year we had no marriages while this year we issued 4 marriage licenses. In 2014 we had 5 resident deaths versus 4 this year.

April, May and June are our busy "Dog" months. All Nelson dogs must be registered and show proof of their latest rabies shot by April 30th. Out of 209 dogs in town which are required to have a license, 194 registered. Just a reminder to dog owners, we do collect fines for being late and a penalty if a civil forfeiture is issued.

For a town with a couple of large lakes and ponds, it surprised me that in 2015 we only registered 31 boats. This may reflect the popularity of canoes and kayaks which do not have to be registered. After attending the Town Clerk/Tax Collector certification program for three years, I officially became a certified Tax Collector. I am proud to be a part of this New Hampshire group of dedicated, hard-working Tax Collector's. This year I should complete the program and will then be a certified Town Clerk.

Twice during the year we are visited by auditors; a representative from the DMV and an independent auditing company: Roberts & Greene, PLLC. These visits can be stressful but all-in-all, this department is able to provide the needed information in a timely and efficient manner. Our procedures are in accordance with the DMV and with auditing standards for municipalities.

This past year I have become more involved with the cemetery board and would like to thank Candyce Fulford for her computer expertise. She has been working hard at developing a cemetery database which should help greatly with the various duties of the board.

In closing, I would like to thank Karen Castelli and Edith Drinkwater for their excellent skills and assistance. I would also like to thank the select board, the town officers and Chief Pratt for their endless support

Respectfully submitted, Julia Lennon Town Clerk/Tax Collector

2015 REPORT OF THE MUNICIPAL RECORDS COMMITTEE

In 2015 our committee finalized and sent out to all boards and committees the paperwork needed to correctly process town records as they become ready to be archived or set aside for the period of retention required by law. To date we've heard little from anyone, and proceed on the premise that our letter and supporting documentation was self-explanatory. To her credit, the Administrative Assistant, Edie Drinkwater has been using the process, and it's nice to see how much easier it is to keep our town records safe and properly stored.

Permanent records have all been moved to the new archive room in the lower level of the library. It's a nice space, and just adequate to house the records we have now. Many of the drawers in our cabinets are empty and we feel that we have storage capacity for many years to come.

Especially in a basement storage area, boxes holding permanent records should be placed on metal shelving for storage, rather than directly on the basement floor. This will protect them from any future water and/or moisture problems. We have already experienced this problem in the upstairs archive area, where boxes placed directly on the floor were drenched when the H-VAC system mal-functioned. We've asked the selectmen to include money in the 2016 budget to purchase open shelving to house the boxes we have.

NELSON TOWN ARCHIVES REPORT 2015

The new archive in the lower level of the Olivia Rodham Library was finally completed with the installation of a HVAC system which controls the temperature and humidity in the room to preserve the archive contents in the best possible environment for long term storage. Following that, all the contents of the old archive in the second floor of the town office were safely moved by members of the Nelson Highway Department with skill and great care to the new archive. It has taken some time to organize the new space, but it is near completion. The permanent records of the Municipal Records Board have been moved as well and the many boxes will be placed on archival shelves when they arrive.

Donations to the archives have included a very large and wonderful auction poster dated 1907 for the sale of the Taylor Farm in Nelson. It has been framed with archival mountings and now hangs in the new archive. It was the gift of Jim Curran of Hancock. Another exciting donation made by Carol Tompkins was a child's basket-seat rocking chair that was made by the Demeritt-Fisher Company of Munsonville. Donations that add to the knowledge of Nelson's past history are always welcomed and encouraged.

2015 REPORT OF THE NELSON CEMETERY BOARD

The year 2015 saw many changes to the Nelson Cemetery Board. In the past, the three elected Trustees of the Trust Fund automatically became members of the cemetery board. Recognizing potential conflict of interest issues, the Select Board decided to divide them into two entities, with Tom Newcombe continuing to serve as chair of the trustee of trust funds, and Elaine Giacomo opting to remain on the cemetery board (dual trustee Trisha Jones had earlier submitted her resignation). As a result of the town meeting elections, the cemetery board included Marty French, Candyce Fulford, Elaine Giacomo and D. Judith Lang. Later in the year, Harry Flanagan graciously accepted our invitation to join, so we are now at full strength.

With its limited 2015 budget, the cemetery board was unable to undertake any new projects; in fact, completing routine maintenance left us with a slight deficit for the year. To address previously identified needs, we will be requesting additional funds for 2016. These needs include remediation of the severe water problem in the back of Cemetery 2 (the cemetery abutting the original Nelson Cemetery), restoration of the gravel roadway in Cemetery 2, and repairing the broken, cracked and damaged headstones in Cemetery 1. The Munsonville Cemetery is currently in decent condition, but we are assessing the erosion on the hillside.

A continuing problem in Cemetery 2 is that of cars and trucks driving on the grass, leaving deep ruts; in some cases, the vehicles are actually driving over graves. We understand that some residents are unable to walk, but whenever possible, please park vehicles outside the rock wall and walk in.

The board is working with the Nelson select board to "spruce up" the cemeteries for Nelson's 250th anniversary in 2017. This year we will be contacting the families with broken and damaged headstones to help us pay for the repairs. More information will follow.

Nelson cemeteries had four burials this year. Robert Lindner of Dover, NH, a former summer resident, was buried in May. Alice Adams, a former Munsonville resident, was buried in June.

Joan Gerbis, a long time Nelson summer resident, was laid to rest in September, and the Reverend Richard Hardy, one of Nelson's best-known natives, was buried in November. In addition, we said our final farewells to Leonard Frasier, a beloved member of the Munsonville community and a friend to many. The cemetery board is excited about a cemetery database that Candyce Fulford has developed; once complete, information related to those interred in Nelson and Munsonville will be literally at our fingertips. Candyce is working with town clerk Julia Lennon to integrate the system with Julia's burial files in town hall. Once complete, this information will be invaluable to amateur genealogists as well as cemetery board members. Thanks, Candyce!

We would like to hire a Nelson company to perform the monthly maintenance on the Nelson and Munsonville cemeteries. If you are interested and have the necessary equipment and insurance coverage (\$1 million) please call me at 847-9019. Please feel free to contact me if you have any other cemetery business as well.

Respectfully submitted,

Elaine Giacomo, Chair Nelson Cemetery Board

2015 REPORT OF THE TRUSTEES OF TRUST FUNDS

The Town's continued participation in the New Hampshire Public Deposit Investment Pool (NH-PDIP) provided stable but very low investment returns during 2015, due to a continuing low-rate market environment. The PDIP combines funds from all member Towns state-wide into a very conservative investment portfolio which provides the security required by state law.

There was a change in the NH-PDIP funds administrator during 2015. Cutwater Investor Services Corp. – following its acquisition by The Bank of New York Mellon Corporation – terminated its arrangement with the NH-PDIP. The State of New Hampshire Banking Dept. selected PFM Asset management LLC to serve as the new PDIP Program Administrator, effective August 1, 2015. According to the announcement, "PFM has over three decades of experience managing local government investment pools and is considered a leader in this field. The firm manages over \$50 billion of fixed income assets for public and not for profit organizations across the country. PFM's proposal includes solutions for enhancing the PDIP program, informed by their perspective on best practices."

Based on a comparison of monthly statements, the investment returns on Nelson's funds – net of administrator fees - have increased significantly since the transition to PFM, compared with the previous administrator. Total 2015 investment earnings do not reflect the full increase due to the August transition date.

Three new Expendable Trust Funds were created in 2015: Library Renovation; Town Hall Renovation; and Library and/or Town Hall Renovation. These Funds were created from the generous donations of many Nelson residents toward those recent renovation projects. There are balances remaining in all three funds which are available for additional future enhancements to the Library and Town Hall.

The Trustees would like to remind potential donors about the provision in the Trust Fund Investment Policy which authorizes private donations in the form of securities to fund special Town purposes. This provision provides flexibility and potential tax advantages to individuals wishing to sponsor or support worthy Town projects.

Any residents who would like further information on Nelson's Trust Funds or investment policy are invited to contact one of the Trustees, or to attend one of our posted public meetings.

2015 REPORT OF THE CONSERVATION COMMISSION

The primary focus of the Conservation Commission for 2015 has been the acquisition of 580 acres of land on Osgood and Hurd Hill for conservation, forestry, recreational and possible agricultural use. We have worked with the Harris Center for Conservation Education to accomplish this project. The plan has been that the Harris Center will purchase the property from the land owner and that the Town of Nelson, using money from the Conservation Fund and the Partidge Fund, and grants from the Land and water Conservation Fund and the Quabbin to Cardigan Partnership, will purchase the fee interest in the land from the Harris Center, with the Harris Center retaining a conservation easement on the property. At this time, the first phase of the project is complete. The Harris Center now owns the land. As soon as the details of the conservation easement and an appraisal are completed, we will be able to close on the property. Then we will begin the work to make this land accessible to the public for hiking, hunting and other low impact recreational activities, prepare a forestry management and steward ship plan. For more details on this project, feel free to contact members of the Conservation Commission.

In addition to this very time consuming, but worthwhile project, the conservation commission secured a \$2000 grant from the Quabbin to Cardigan Partnership for Trails Work which enabled the Trails Committee to purchase trail work tools, prepare copies of trail guides, and construct a parking lot for the Murdough Hill Meander Trail. We encourage Nelson residents to check out the five trails completed in town. Trail guides are available at the library.

The Conservation Commission also sponsored a roadside cleanup day in April, a vernal pool exploration hike in May, and approved a number of wetland permit applications. The Lake Host program is supported in part with funds of the Milfoil Prevention and Treatment Expendable Trust Fund and continues to protect our beautiful lakes from invasive aquatic plant species. For the first time, the Conservation Commission is sponsoring an Amphibian Crossing Guard training on March 26, 2016 at 11:00 AM at the Nelson Town Hall. Interested residents should contact the Harris Center for more information.

The Conservation Commission welcomes suggestions for outings and programs for the coming year. We meet regularly on the second Thursday of the month in the library lower level. The public is welcome.

Respectfully submitted, Katharine Schillemat Conservation Commission Chair

2015 REPORT OF THE NELSON POLICE DEPARTMENT

Hello good townspeople of Nelson!

Yet another year has come and gone, resulting in another year of many fond memories. This year has brought several new projects including but not limited to the Hazard Mitigation Plan. Our annual Halloween party was extremely successful. The kids had an amazing time! Additionally, Old Home Day was well attended and the police department enjoyed teaching kids about safety, letting them tour the cruiser and ask questions of the officers.

It is not a secret that the entire state is struggling with concerns over recent influence of drugs in our community and we have worked hard to monitor closely for suspicious activity, intervene immediately to prevent this devastating pathway from entering our town. Your vigilance as a community to monitor for suspicious activity and great communication has helped us tremendously to intervene and control potential situations before they get out of control to keep our community safe.

We are pleased to have hired Officer Howard Sheats, a seasoned police officer who is well respected in the community and is now working regularly to help us. Increased patrols to monitor speed have been successful.

It has been pleasure to continue to keep our community safe this year and I look forward to another incredible year! Thank you for another great year! Chief Richard C. Pratt Jr. Officer Brian Lord Officer Wayne Kassotis Officer Howard Sheats

TOWN OF NELSON ROAD AGENT REPORT 2015

As many of us will soon not forget, January through April of 2015 produced record snow falls. It felt like we would finish clean up from one storm and soon be hit with another. Although there were record snow amounts to melt in the spring, mud season was surprisingly manageable. With the exception of one or two roads, most roads stayed passable.

At the 2015 Town Meeting, Article 03: Purchase of Land for Sand and Gravel Pit did pass. This property is located on Route 10 in Gilsum. With this property being an ample source for material, our supply of gravel and winter sand would be reliable. With its close proximity and steady source of material, we would be able to better control our costs for many years to come. With the Purchase and Sales Agreement signed, our hope is to start the excavation of material in the spring.

In 2014 an inspection of the Bailey Brook Bridge on Old Stoddard Road was performed by the NH DOT. This bridge was found to be structurally deficient and a weight limit of 3 tons was posted. At the 2015 Town Meeting, Article 29 was passed to make necessary repairs to the bridge. Unfortunately, delays in obtaining the necessary Wet Lands Permit did occur. With these delays, this bridge was closed to all traffic in the late summer of 2015 by order of the NH DOT. With changes being made to the engineering plans for the repairs, the Town was able to get the necessary permits with work on the repairs starting in November and, to the relief of many Townspeople, the bridge was reopened to all traffic in December.

With record snowfall earl in the year, as many of you, we were happy to see no snow accumulations in November or December. With the fall weather being quiet, we were able to get all of our fall maintenance completed. This included grading of roads, cleaning of ditches, upkeep of culverts, roadside mowing, and the removal of any hazardous trees. Although not much has been used to this point, the usual hauling and stockpiling of winter sand was done.

I would personally like to thank the Selectmen, members of the Road Equipment Committee, and the other Town Officials for all of their help and support. As always, thanks go out to Nick Barrett for his many hours of hard work this past year.

The Highway Department does appreciate updates on road conditions in your area. The Road Crew will respond to any problems in a timely manner.

Respectfully submitted by Mike Tarr, Nelson Road Agent

2015 REPORT OF THE PLANNING BOARD

2015 proved to be a busy year for the Planning Board. There was a boundary line adjustment and a subdivision with a voluntary merger brought before the board and both were approved.

The Board started their process of reviewing the master plan, which will be an ongoing project until the task is completed. The Board also reviewed the Zoning Ordinances, in an effort to clarify some of the wording. Changes to articles 3:2 and 5:1.2 were voted on and passed by the board and hearings are scheduled in order for the warrant articles to be voted on at town meeting. The Board is also reviewing the application process and costs for application to see if any changes are necessary.

The Board was fully staffed with 5 members. We welcomed two new members, Jeff Taylor and Duane Schillemat. I was elected chair, replacing long time member and chair Eric Sandberg. There is one 3 year term expiring this year and as always the Board encourages anyone with interest to consider running for the position.

The Board meets the second Thursday of every month at 7pm in the Town Office meeting room. These meetings are open to the public. If you wish to be included on the Planning Board agenda please contact the Planning Board clerk.

Respectfully submitted, David Bower, Chair

2015 REPORT OF THE ZONING BOARD OF ADJUSTMENT

2015 was very uneventful for the Zoning Board. There was a variance brought before the board that was approved.

The Board was fully staffed with 5 members. Myself and Dennis Dellagreca were re-elected to the Board at last town meeting. I was elected chair for the second time. There is one 3 year term expiring this year and as always the ZBA encourages anyone with interest to consider running for the position.

When scheduled, the board meets the first Monday of the month at 7pm in the Town Office meeting room. These meetings are open to the public. If you wish to be included on the Zoning Board agenda please contact the Zoning Board clerk.

Respectfully submitted, John Cucchi, Chair

2015 REPORT OF NELSON AGRICULTURAL COMMISSION

Your Agricultural Commission is working hard to promote and assist all Nelson residents who wish to learn how to raise their own food, whether it is fruit, vegetable or meat. Sustainability is the word on everyone's lips. It seems that what was once old is new again. Back yard gardens are popular as are community gardens, and poultry appears in gardening and homesteading magazines.

Nothing can be more sustainable than raising and growing your own food. When you have farming questions, to whom do you turn? Who better to ask advice or share problems with than local gardeners and farmers. We have similar soil; we all know who gets first and last frost in town and so much more.

Looking back on this year we have had the following events:

If you attended the Old Home Day celebration this year you more than likely saw the miniature horse, alpaca, donkey and three-legged goat that visited our celebration from the rescue farm. Logan Lord was kind enough to share her pig, Mr. Bubbles with an adoring audience and Barbara Fraser displayed chickens and ducks. At the Old Home Day celebration I was told that many years ago the town hall was turned into a petting zoo for children, complete with hay and farm animals, I would have loved to have seen that given the giggles, laughs and discussions at this year's Old Home Day. We also had an exhibit of home canned products and featured the Library's Seed Catalog. The Nelson library and your Agricultural Commission combined efforts to create the Seed Catalog. The library hosts the catalog; it has open pollinated seeds free for the taking. These are seeds from plants that have been successful in other Nelson gardens. Visit the seed catalog. If you end up with a successful growing season, "check in" a few of your seeds to share with your neighbors.

In September we had our first Harvest Market at the Nelson School. It was a success with 18 vendors participating and we were blessed with a beautiful day. Four of those vendors were students at the school. We are hoping to have more market days in 2016.

Our Farm tour was on October 17. Participating farms were Fraser Farm, Nick & Becky Barrett, Bunce Farm in Nelson and Their Heaven Can Wait Rescue Farm in Sullivan. We ended the day with a marvelous hayride by John Bunce. With enough interest we'd be happy to have another in 2016!

We are actively seeking out Cheshire county residents wishing to share their knowledge with the community for our 2016 lecture series. Currently the lecture series is scheduled to cover pollinators, making fermented foods, backyard chickens and a forum about gardening among the rocks of Nelson.

We meet the first Wednesday of every month in the Library basement. Reach us at <u>nelsonnhagcom@gmail.com</u>

EMERGENCY MANAGEMENT REPORT 2015

The past year has been a busy and productive one for the Emergency Management Department. After numerous meetings with Town Department heads and Southwest Regional Planning our Emergency Action Plan has been revised and accepted by the State. We were able to obtain a grant to help cover expenses for this revision. We are required to review and update the plan every five years by state regulation and it is a rather lengthy process.

We were able to obtain desk space in the office at the safety building. This enables us to set up a local Emergency Operating Center (EOC) in the same physical location as the Police Department and Fire and Rescue. We were able to purchase a limited number of reflective vests and identification gear for volunteers and will continue to slowly build up our supplies as budgets allow.

We were also able to enlist two volunteers as Deputy Emergency Management Directors. They are Mary Dellagreca and Jackie Chapman. Both have completed the state training and now have sign in authority on the Sate Web EOC system. Jackie also to advantage of training opportunities offered by the state and attended the Center for Disease Control Training Facility located in Alabama. She is now qualified and certified in decontamination, mass casualty response as well as other areas of first responder qualification. The best part is that the state paid for the tuition and the travel.

If anyone is interested in taking advantage of the training opportunities offered by the State or the Department of Homeland Security and Emergency Management contact Mary, Jackie or myself and we will be happy to provide more information.

Respectfully submitted,

Dennis Dellagreca Emergency Management Director

Fire Department Report for 2015

A huge thank you to the men and women of the Nelson Fire and Rescue Department for all the time they sacrifice not only going to rescue calls, but participating in training, work details and volunteering at community events. They give up family time, personal time and time away from their paying jobs. Thanks also to the families of these volunteers for their support and understanding.

The Nelson Fire and rescue department responded to 75 calls in 2015.

Over these 75 calls, there were 202 Individual Responder Runs

- Regular monthly member meetings were held.
- Through a grant from The New Hampshire Hospital Association (NHHA) in conjunction with the New Hampshire Department of Safety, Division of Fire Standards & Training and Emergency Medical Services one of our NFD members went to Center for Domestic Preparedness (CDP) in Anniston, Alabama to receive HERT training.

Hospital Emergency Response Training for Mass Casualty Incidents (HERT) is a three-day course designed to provide medical operation guidance to hospitals, emergency medical services (EMS), healthcare facility personnel, and others who may become involved in a mass casualty incident (MCI). Jackie Ward is now a licensed Trainer to conduct training of appropriate cut-out and decontamination operations during response to an MCI involving contamination

- Nelson Fire Department hosted the Defensive Drivers training run by the NH Fire Academy. Five NFD members completed this training.
- We have 3 NFD members starting their EMT class January 2015. This will add 3 more licensed EMT's adding to the 2 EMT's currently licensed.
- Our First Responders EMR's recertified this Fall
- Nelson rescue personnel participated in several water and woods scenarios including a recent one to extract a hunter out of a hunter's tree stand up a Pine tree out behind Center Station. They

needed to figure out how to stabilize a hunter with gunshot wound and get her down to the ground, out of the woods and prepared for travel.

- AED/CPR and Narcan administration for drug overdose Training will be offered free to Towns people this March 19th This is 'by-stander' training easy for all to learn and there will be lunch served after, perhaps a chili bake off from our Firefighters
- Joint rescue training sessions were held monthly with Harrisville, Sullivan, Stoddard and Nelson. These trainings receive CEC credit that is required for Nelson Rescue to maintain our license to operate our rescue.
- Joint town training for firefighters is also planned. Joint training ensures that all towns know each other and work together efficiently when called to a multiple response scene.
- Rescue personnel set up a station at old home day to perform vitals checks for all citizens and to support the races of the day.
- We conserved a good portion of our budget until the end of the year in case we had un-budgeted equipment expenses as last year. In December we finally ordered badly needed office supplies and tee shirts. Our firemen have been bringing in supplies from home to compensate for the lack of office items such as pens, staplers, scotch tape etc. Tee shirts for new members and replacement of decade old tee shirts for older members were also ordered.
- 3 Tanker 1 had major repair work just to keep this old piece of equipment road worthy until we can afford to replace it. We came in under the budget for the Special Article 16 last year. This is the vehicle that we plan to replace next year (2017). NFD and a group of interested townspeople are working on specs for a new tanker to be proposed at 2017 Town Meeting.
 - Interested people to help us with future plans are needed. Please let us know if you are interested so we can put you on the call list for meetings.
- NH Fire Marshall's office came in and inspected all the Town Buildings .This is a fresh, unbiased view of our buildings, specifically looking at fire related and life safety issues. This was done 2 years ago at Nelson School.
- Participated in Nelson Memorial Day Parade and the Stoddard Parade.
- Fire Department co-hosted the town Halloween Party
- Fire Awareness at Nelson School with Mutual Aid Fire Trainer and the Red Cross free Smoke Alarm for Fire Safety in the Fall
- NFD participated in the 'Celebrate Nelson Day' with the Red Cross Smoke Alarm event
- NFD Rescue members attended many continuing education classes around the state including Pre Hospital Trauma, Pediatric Burns, Obstetrical Emergencies, Exfoliate skin & soft tissue trauma and Narcan trainings
- Old Engine 1 was sold and the money was put back into the General Fund.
- Charley Lang, a long time Forest Fire Deputy Warden and Fire department member moved out of state and is sorely missed
- NFD came in under last year's budget for several reasons
 - Many of our members chose to not take on-call pay this year to preserve budget money
 - \circ $\,$ Training budget money was reserved in anticipation of new EMT trainings in 2016 $\,$
 - Some trainings were put off until early 2016 due to time conflicts with neighboring departments
 - General tools and supplies were under budget
 - Vehicle maintenance came in under budget (We did Good)
 - Unused budget money was retained by the town in the general fund

Prevent Forest Fires

It is unlawful to...

- Burn brush or other materials when the ground is not covered by snow without a written fire permit from the Forest Fire Warden.
- Burn in an outdoor fireplace without a fire permit.
- Kindle certain categories of fires between 9:00 A.M. and 5:00 P.M. except when raining. When raining, a fire permit is still required. Please check with your local Forest Fire Warden to determine allowable burning times.
- Kindle a fire for any purpose on land of another without written permission of the owner or owner's agent and a written permit from the Forest Fire Warden of the town, except in authorized recreational areas where suitable fireplaces are approved by the Forest Fire Warden.
- Fail to totally extinguish any fire before leaving it.
- Discard matches, cigarettes or other burning substances from vehicles or otherwise.
- Throw any flammable waste material on, near, or adjacent to a public highway or private way in or near woodlands.

2015 Annual Meeting Granite Lake Village District

The meeting was called to order at 9:03, Sat. April 18, 2015 by Sally Ripley, clerk; John Halter, Moderator, was absent.

Article 1. To choose one commissioner for a term of three years, and to see who the inhabitants of the District will elect for the offices of auditor, treasurer, moderator, and clerk, each for a term of one year. Nomination for commissioner, Philip Hamilton; auditor, John Halter; treasurer, Barbara Ropiecki; clerk, Sally Ripley. Motion to approve was appropriately moved and seconded. Vote was affirmative.

Article 2. To see if the Village District will vote to raise and appropriate the sum of \$5,000. to be added to the *Capital Reserve Fund for dam maintenance/repair/ replacement previously established in December 2008.* Commissioners recommended. (majority required)

Discussion about how much refacing of the dam would cost. Bob Woods, commission chair, said we really don't have a good idea. Phil Hamilton will be calling Daniels Const. who last put in the new spillway and sides.

Motion to approve was appropriately made and seconded. Vote was affirmative.

Article 3. To see if the Village District will raise and appropriate the sum of \$2,000. for Village District expenses. This article does not include appropriations contained in special or individual articles addressed separately. (majority vote required) Motion to approve was appropriately moved and seconded. Vote was affirmative.

Article 4. To see if the Village District will vote to raise and appropriate the sum of \$1,250. to pay for liability insurance for one year for the District. Barbara Ropiecki broke the bad news that she received a letter from Property Liability Trust (our insurer) that they would no longer be in business after June, 2016. We discussed who would be and how we can go about finding a carrier. Barbara will call NH Municipal Ass. to which we belong. They also provide legal advice for municipal price. Motion to approve was appropriately made and seconded. Vote was affirmative.

Article 5. To see if the Village District will vote to appropriately \$1,000. to repair existing fence around dam with said funds to come from unassigned fund balance. Barbara said this was on the warrant last year and passed; the work did not get done last year. Sally said that Phil Hamilton would like to send a letter to the Town of Nelson stating that any damage due to plowing would then be Nelson's responsibility. Plowing could be differently to prevent damage.

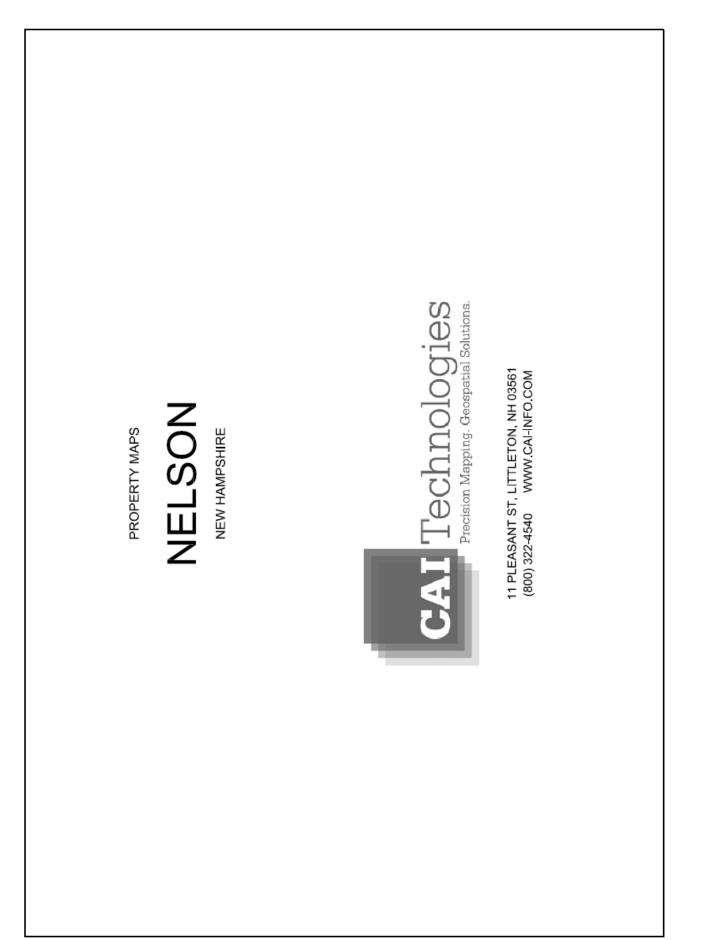

Motion to approve was appropriately moved and seconded. Vote was affirmative.

Article 6. To see if the Village District will vote to hold its next annual meeting April 16, 2016 at 9:00 a.m. at the Chapel-by the Lake, Munsonville. Motion to approve was appropriately moved and seconded. Vote was affirmative. Motion to adjourn was appropriately moved and seconded. vote was affirmative. Respectfully submitted, Sally Ripley, clerk

Nelson Sestercentennial "250" Committee Report 2015

The Committee appointed by the Select Board to coordinate activities for Nelson's Sestercentennial in 2017 has met four times in 2015. The theme, "A Sense of Place, Nelson NH" was chosen, and a logo using a drawing of the Old Brick Schoolhouse has been selected for the year. Many events are being planned throughout the year with a special day, July 8th, being designated for several activities happening on the Town Common including a reenactment, Town Band concert, ice cream social, art show in the Town Hall, and a display of town artifacts that belong to the Archives.

The committee members are: Allison Aldrich, Barbara Bennett, Don Bennett, Ann Bunce, John Bunce, Donna Kidd, Sam Romano, Hunt Smith, Karen Tolman, Jane Kirk, Bert Wingerson, Mike Iselin and Susan Hansel.
