Subject: Grocery ordering from The Harrisville General Store

To:

Hi!

Exciting news: The Harrisville General Store grocery ordering information is finally here! I'll try to keep this information as concise as I can, and please do offer feedback as we adjust to this new service. I think we've got a pretty streamlined plan, but undoubtedly there will be some kinks to work out.

Here is how you do it:

Call the HGS at **603-827-3138** between the hours of **8 am and 4 pm, Monday through Saturday**, to order groceries. A staff member will take your order and charge your credit card remotely.

We have stocked the store with many staple foods and lots of produce (YES! We have toilet paper!). We are happy to try to source items that we do not currently have, so please don't be shy to ask if you'd like something you don't see on our list. Daily prepared foods are also available for pick up and delivery- call for details on what's being made each day (we are working on getting a Facebook announcement out with a menu, too).

If you'd like to pick up your groceries: we will have your items packed up and labeled with your name and the receipt for your purchase on the front porch of the store. Be sure to tell the staff member you give your order to what time you would like to pick up so food isn't sitting outside for too long.

If you'd like your groceries delivered: we are able to deliver groceries to the towns of Harrisville, Dublin, and Nelson. **Orders received between the hours of 8 am and noon will be available for same-day delivery, orders received after noon will be delivered the following day.** We are asking for a \$5 delivery fee that will be given to the delivery driver for fuel and a tip. Groceries will be bagged up with the receipt for your purchase and left on your doorstep. **Please note: just to keep us**

all healthy and safe, Harrisville General Store staff and volunteers cannot enter your home.

The following is a mostly complete list of the goods we are keeping in stock right now. This is by no means everything, though, so definitely ask if you want something that isn't on this list!

Paper Goods

Toilet paper
Paper towels
Tissues
Parchment paper
